

LIMERICK WATER DISTRICT
LIMERICK, MAINE 04048

SHEET #2
FIRST REVISION

PUBLIC FIRE PROTECTION

Available:

For the public hydrants owned and maintained by the Water District and connected to the District's mains on July 1 2019, there shall be paid to the District the following public fire protection service charge:

Town of Limerick

\$44,529 Annually

\$11,132 Quarterly

Rate for hydrants installed after July 1, 2019, shall be determined in accordance with the Public Utilities Commission Rules and Regulations Chapter 69.

All public fire hydrants now existing or to be installed will be cared for and maintained in good working order (unavoidable accidents excepted) by the Limerick Water District. Hydrants are to be located not more than 500 feet apart, and to be connected only to mains having a diameter of 6" or longer. Once any fire hydrants are actually installed and are in operation, the total annual fire protection service charge then in effect will not be reduced should the municipality served order one or more hydrants discontinued.

Should the municipality served order any hydrant or hydrants moved to a different location, the municipality served shall pay to the District all costs of moving said hydrant or hydrants.

TERMS OF PAYMENT

Bills under these rates are net and will be payable in advance and rendered quarterly, and are due when presented.
