

# Institutional Adoption of Blockchain Overcoming Barriers to Implementation

July 16, 2019 • Chicago

5:45 pm : **Registration**

6:15 pm **Panel Opens**

Issues addressed include:

- ♦ How blockchain can be implemented to streamline certain processes
- ♦ Blockchain-as-a-service solutions
- ♦ Global perspective: which governments are actively engaged in research, testing and deploying Blockchain technology
- ♦ DLT solutions with and without digital assets or virtual currencies
- ♦ Barriers to adoption: lack of regulation, banking services available to blockchain organizations; crypto-related insurance underwriting; and robust custodial solutions

7:15: **Networking Reception**

After the Bell Events are not recorded or streamed – to get the most out of these discussions, be there!
