I am so excited to begin another school year at SCA! This year will be my third year teaching Art and my 7th year here at St. Catherine's.

I am looking forward to another year of teaching my beloved SCA students the subject of Art.

I thank you for allowing me the chance to be one of your child's teachers and enriching them in the subject of Art!
I can't wait to get started!!

Graded through Gradelink,

Students are graded on their knowledge, presentation, and completion of their work. The child's work is graded at a 0%-100% scale.

Art can be taught in so many ways. We'll be using our hands, our minds, and our hearts.
