Dear Sisters in Christ,

I have been praying for a study for this year and I feel God is urging me to lead the study outlined below. I have spent a lot of time researching women's studies and I keep coming back to this one. It is Beth Moore's first Bible study and my favorite. If you are not familiar with Beth Moore studies it is a 5 day study with a video segment for each week. The daily study takes about 45 minutes to an hour a day Please join me in praying for our study. Pray that God will open our hearts to His word and show us how to apply it to our lives.

I have placed a sign-up sheet next to the school sign-in sheet or you may call or email me at:

*In His Service,
Jeffie Barnes*

Place: MACA Library
Starts: November 28
Time: 3:30 PM each Wednesday afternoon
Cost of Book: \$17.00 (approx.)

Please sign up by November 12th

*If pre-school teachers would like to participate I will schedule a separate video segment on Tuesdays @ 5:30
We will have a one week break in the study for Christmas break.*

A Woman's Heart: God's Dwelling Place by **Beth Moore** is women's Bible study that explores the fascinating account of the building of the tabernacle, the significance of its intricate design, its pivotal role in God's eternal plan, the grand fulfillment of its purpose by Jesus Christ, and its variety of meanings for your walk with God today.

Perhaps no Old Testament event so dramatically illustrates God's persistent desire to relate to His children as the building of the tabernacle in the wilderness. Through the tabernacle God initiated a deeper relationship with His Chosen People by bringing reconciliation and revealing His glory. And certainly, no Old Testament event so richly prefigures the coming of the true Tabernacle, Jesus Christ. You will be challenged to prepare your heart, like the holy of holies, to become a home for His love and glory -- a dwelling place for the Most High God.
