

Children's Bible Study for ages 3-11

I am pleased to announce that Bible Study sessions have started for our children!

They and adults, who teach them, are engaging in exploration of the Bible, in their homes, to strengthen their faith formation. Let us keep them in our prayers as they teach and learn the way of our Lord and Savior.

If you are interested in implementing the program in your home, please do not hesitate to contact **Florence Rosemond** for materials.
