

Live, Local and Relevant Workshop Series of Vista Psychological & Counseling Centre Presents:

Psychopharmacology: Medications in the Mental Health World

Goals:

1. To provide a basic understanding of psychopharmacology in mental health.
2. To develop an appreciation of the effects of various psychopharmacological interventions.
3. To understand neurotransmitters in a rudimentary fashion and explore the pseudoscience implications of theories derived from this understanding.
4. To explore current trends and issues related to psychopharmacology.

This Live Workshop has been approved by the Ohio Psychological Association (Provider #262155946) for 6 Standard CE hours. Programs approved by OPA are accepted by the Ohio Counselor, Social Worker and Marriage and Family Therapy board.

Presenter: Robert A Humphries Ph.D.

About the Presenter: Dr. Bob Humphries brings a wealth of teaching experience to his presentations. He retired as an Associate Professor at Walsh University in July of 2020 after 21 years as a fulltime instructor, having served as an adjunct for the 10 years prior. His nearly four decades of clinical work in the community and continued at his private practice at Vista Psychological & Counseling Centre in North Canton, Ohio beginning in May of 2008 augment his teaching with a wealth of stories, antidotes and clinical experiences to share.
