Dear Family and Friends,

Greetings in the name of our Blessed Lord, Jesus Christ! The last two months have been busy, busy, busy! October was great for meetings! We were privileged to be in six Missions Conferences. The Lord did wonderful things in each of these churches, and we were blessed to be a part of their conferences.

We have also been blessed to have two more churches take us on for support! This brings our support level up to ten percent! I know that the economy is tight, but the blessings from God are worth it when you can take part in giving to Missions. We are praying that by the end of December we will be at 25% support. I believe God can do it.

Since our last letter, we have been blessed to lead three precious souls to the Lord Jesus Christ while out soul winning. Two of these are from Gaylord, with one being our neighbor. Please pray that they will become faithful and will attend church. Also, while at a church during Halloween, we were able to participate in a Halloween Blitz. The church set up a tent in town and prepared hot chocolate, coffee, cider, donuts, and candy to give to the children and adults out trick or treating. Each child and adult was given a Chick tract, as well as a DVD called "The Light of the World". We handed out over 600 tracts and 200 DVDs, and twelve people were saved through witnessing. It was awesome to see them being born into the family of God on the Devil's night.

We do have one prayer request in particular. We are praying and planning on taking a survey trip to Ireland in April of this next year. We've already been putting money aside when possible and have about enough for one ticket already. My personal burden is for Jennifer to be able to experience Ireland. She has never been out of the country, and it is difficult for her to plan on her future in Ireland without seeing and experiencing the cultural differences. We are planning to leave April 19 and to be away for two weeks. We would appreciate your prayers as we plan this trip.

Please continue to pray for safety as we travel to our meetings, especially as winter approaches. Thank you so much for your prayers and financial support. It has been a great encouragement to us as we continue the deputation trail!

Your missionaries to Ireland,

Andrew and Jennifer Day
