Section 1: General Provisions

1.1 Title and Authority

This policy shall be known as the Town of Waterford Personnel Policy. It has been adopted by the Town of Waterford Selectboard pursuant to 24 V.S.A. § 1121 and 1122.

This policy does not constitute a contract of employment. Employment with the Town of Waterford is at will and not for any definite period or succession of periods of time. The Town or the employee may terminate employment at any time, with or without notice. The Selectboard reserves the right to amend any of the provisions of this personnel policy for any reason and at any time, with or without notice.

1.2 Purpose

The purpose of this handbook is to combine in one place the benefits and policies applicable to Town of Waterford employees and elected officials. The Selectboard's intent in prescribing these benefits and policies is to establish clear, orderly, fair and uniform guidelines for the administration of personnel matters.

The Town regards all personnel, hired, elected or appointed, as public employees who are to be governed by high ideals of honor and integrity in all public and personal conduct so as to merit the trust and confidence of the general public and co-workers.

These policies supersede all previous publications, motions, resolutions, etc. on this subject.

1.3 Applicability

These personnel policies shall cover all full and part-time employees of the Town of Waterford. These policies will include the Town Clerk and appointed staff and the Town Treasurer and appointed staff if the Town Clerk and Town Treasurer so choose and agree in writing (see Addendum A).

Only Section 6 applies to elected officers (e.g., Selectboard, Listers, Auditors) and appointed officials and members of boards (e.g., Delinquent Tax Collector, Planning Commission, Development Review Board) and other positions which are not paid on an hourly/salaried basis.

1.4 Equal Employment Opportunity

The Town of Waterford will provide equal opportunity to all employees and job applicants without regard to race, color, religion, sex, sexual orientation, age, nationality origin, marital status, disability, veteran's status or any other category under local, state or federal law.

1.5 Probationary Period

All new employees will be required to complete a six (6) month probationary period. The purpose of this probationary period is to determine whether the employee is suited for the job. During the probationary period, an employee may be terminated at any time at the sole discretion of the Town Selectboard. Notwithstanding any other provision of this policy, an employee terminated during the probationary period will have no right to appeal such termination.

1.6 Evaluation of Performance

Each employee shall be evaluated on an annual basis. The purpose of the evaluation is for the supervisor to assess the strengths and weaknesses of an employee. The Selectboard will use evaluations to aid in consideration of salary/wage increases, bonuses, disciplinary action, training programs and other personnel activity.

1.7 Review by Employee

Each employee (and elected or appointed Town Official) shall receive a copy of the Town of Waterford Personnel Policy upon hire (or election/appointment) and shall acknowledge that they have read and understands the benefits, policies, and personal conduct requirements described therein and shall sign a notice of receipt. Section 2: Work Schedules and Compensation

2.1 General Policy

It is recognized that employees' daily and weekly work schedules and assignments are based on operating requirements and are subject to change. The Town of Waterford retains the right to schedule straight time, overtime, number of shifts, and shift assignments for the purpose of promoting the efficiency of municipal government.

2.2 Work Week / Work Day

The Highway Foreman, Town Clerk and Town Treasurer are responsible for establishing regular hours of work and shift schedules for their departments. The Transfer Station will operate 7 am – 12 pm on Saturdays.

Full-time employees are allowed two (2) paid fifteen (15) minute breaks and a paid thirty (30) minute lunch break during the work day. Any break or lunch time taken in excess of these allotted sixty (60) minutes is unpaid.

2.3 Compensation

Starting compensation, increases in compensation and annual performance bonuses shall be recommended by Department Heads and approved by the Town Selectboard. Employees shall be paid weekly and may elect to receive pay automatically into their bank account with Direct Deposit.

2.4 Lateness or Absences

Timely appearance in appropriate uniform or attire for work at the specific time is required for all employees. In the event that an employee will be late or absent from work, they shall notify their supervisor and appropriate co-workers prior to or as soon as reasonably possible. Employees shall only be paid for actual hours worked and recorded on time sheets. If an employee arrives after the regular shift starting time or leaves before the regular shift ends, the employee may use earned vacation or comp time if approved by their Department Head.

Any employee who is absent without authorization shall forfeit all compensation for the period of such absence. Repeated unexcused lateness or absence from work is grounds for disciplinary action, up to and including dismissal.

2.5 Overtime

Overtime shall be paid at the rate of 1 ½ times the employee's regular hourly rate of pay for hours worked beyond forty hours in a work week. Overtime shall not be paid to salaried employees. All overtime work shall be assigned and authorized only by the Department Head.

It is the Town of Waterford's policy that overtime work for all employees shall be held to a minimum consistent with efficient and sound management. Town Department Heads shall schedule and assign regular work hours and ensure that approved overtime fits into the Town-approved budget for that department. There will be times when overtime is necessary. Department Heads shall make a reasonable effort to distribute overtime as equitably as possible among employees. Overtime may not be worked without approval.

Overtime can be converted into comp time. One hour of overtime will be converted to one hour and a half of comp time. A maximum of sixteen (16) hours of comp time can be accumulated. Comp time may be carried forward from year to year. Department Heads should be notified twenty-four (24) hours in advance that comp time will be used and the employee will be absent. Requests to use comp time shall not be denied unless it causes an undue hardship for the Town.

2.6 On-Call

Highway Department employees are required to be available for work on an on-call basis in the event of any emergency or snow storm, especially during the winter months. Prompt response, within an hour of being called, is required for emergencies. Employees will be paid from the time they leave their house, and will receive a minimum of 3 hours of pay for call-ins.

Section 3: Safety

3.1 Employee Safety

The Town of Waterford is concerned with the safety of its employees, officials and the general public. Each employee is required to familiarize themselves with their department's safety rules and regulations. Failure to observe proper safety procedures and requirements is grounds for disciplinary action and/or dismissal depending upon the seriousness of the safety violation.

Employees are required to wear Personal Protective Equipment (PPE) (e.g., hard hat, safety glasses, hearing protection, respirators, safety vests, etc.) and comply with all applicable safety and health rules and orders of VOSHA. If an employee believes that a safety or health violation exists, they shall alert his/her Department Head or the Selectboard. No person shall discriminate against any employee who makes a report to VOSHA or participates in any proceedings.

3.2 Accident Reporting Procedures

When an employee has been injured in the course of performing their work for the Town, it shall be reported to his/her Department Head immediately. If necessary, the employee shall seek medical attention immediately. An accident report shall be submitted within the twenty-four (24) hours from the time of the accident to the Town Selectboard for timely processing. When there has been damage to Town of Waterford or private property due to employee action, it shall be reported to his/her Department Head immediately. An accident report shall be submitted within twenty-four (24) hours from the time of the accident to the Town Selectboard for timely processing.

Section 4: Employee Benefit – Paid and Unpaid Leave

4.1 Policy

Acknowledging that employees require time away from work to attend to personal, family and medical matters, the Town of Waterford provides a variety of paid and unpaid leave.

Leave is defined as any absence that occurs during an employee's regularly scheduled work hours that is approved by their Department Head. The Highway Foreman leave will be approved by the Selectboard. Leave may be authorized with or without pay, and shall be granted in accordance with the policies outlined below on the basis of the work requirements of the employee's Department and, whenever possible, the personal needs of the employee. **Paid leave, as set forth in this section, shall be granted only to full-time employees, with the exception of pro-rated Holiday Leave.**

4.2 Procedure for Requesting Leave

With the exception of Holiday and sick leave, an employee must submit a written request to their Department Head indicating the type of leave and dates of intended departure and return. This request must be approved in writing prior to taking the leave. Such approval shall not be unreasonably withheld. Leave that must be taken in the event of an emergency can be approved verbally, with the Department Head providing the written record of the leave.

4.3 Holidays

The following Holidays will be paid only to employees that are regularly scheduled to work on these days. Employees that regularly work fewer than 8 hours on these days will only be compensated for their regularly scheduled hours. If an employee is required to work on a holiday, they will earn regular pay for the hours they work in addition to the Holiday pay (resulting in double time.) If the Holiday falls on a Saturday, the Holiday will be taken on the Friday before, if it falls on a Sunday, the Holiday will be taken on the following Monday.

An employee becomes eligible for Holiday Leave upon his/her date of hire.

- New Year's Day (January 1)
- Martin Luther King, Jr. Day (3rd Monday in January)
- Presidents Day (3rd Monday in February)
- Memorial Day (last Monday in May)
- Independence Day (July 4)
- Labor Day (1st Monday in September)
- Veterans' Day (November 11)
- Thanksgiving Day (4th Thursday in November)
- Day after Thanksgiving (4th Friday in November)
- Christmas Day (December 25)

4.4 Vacation Leave

Vacation Leave shall be earned from the date of hire in accordance with the schedule below. Vacation Leave will be tracked in the payroll system and accrued per pay period.

- **0 – 2 Year** **0.75 Hours per weekly pay period + 1 Hr last period (40 Hrs/Yr)**
- **>2 – 5 Years** **1.5 Hours per weekly pay period + 2 Hr last period (80 Hrs/Yr)**
- **>5 – 15 Years** **2.5 Hours per weekly pay period (130 Hrs/Yr)**
- **>15 Years** **3.0 Hours per weekly pay period + 4 Hr last period (160 Hrs/Yr)**

Part-time employees shall not earn Vacation Leave.

Vacation Leave can be earned but not used until after successful completion of the 6 month probationary period.

If an employee does not use all of their accrued Vacation Leave in a year, the employee may carry unused, accrued Vacation Leave forward to the next year up to a maximum of 40 hours. Any unused, accrued Vacation Leave that exceeds the amount allowed to be carried forward shall be forfeited.

Employees are strongly encouraged to take an annual vacation. Requests for vacation should be submitted to the Employee's Department Head as soon as possible, but not less than 48 hours in advance of the requested time off.

An employee who resigns or is terminated from employment with the Town will be compensated for accrued vacation leave at their current rate of pay, with the exception that any employee who leaves or is terminated during their probationary period will not be entitled to compensation for any accrued vacation time.

4.5 Sick Leave

Sick Leave shall be earned from the date of hire at a rate of **5 days per year**. Sick Leave will be tracked in the payroll system. The 5 days is pro-rated from the date of hire. Sick Leave is awarded to Full-time employees in a lump sum at the beginning of the year, or at the start of their employment in the case of a new employee.

Part-time employees that work an average of 18 or more hours per week shall earn 1 Hour of Sick Leave per 52 Hours worked.

If an employee does not use all of their Sick Leave within the year, the unused Sick Leave shall be forfeited. Sick Leave is not compensated at the time of resignation or termination of employment.

An employee may use sick leave for the purposes below:

- The employee is ill or injured.
- The employee obtains professional diagnostic, preventive, routine, or therapeutic health care.
- The employee cares for a sick or injured parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, including helping that individual obtain diagnostic, preventive, routine, or therapeutic health treatment, or accompanying the employee's parent, grandparent, spouse or parent-in-law to an appointment related to their long-term care.
- The employee cares for a parent, grandparent, spouse, child, brother, sister, parent-in-law, grandchild, or foster child, because the school or business where that individual is normally located during the employee's workday is closed for public health or safety reasons.

Employees must notify their Department Head as soon as practicable of the intent to use earned Sick Leave and the expected duration of the employee's absence. Employees must make reasonable efforts to avoid scheduling routine or preventive health care or other appointments during regular work hours.

If an employee is out of work for three (3) consecutive days due to illness, or illness of a family member, the Department Head may require the employee to obtain a certification of disability from their or the family member's physician (specifying the expected length of the sick leave and/or any work restrictions or light-duty assignments upon return to work.) Failure to produce a certificate may result in unpaid leave.

Compensation for use of paid Sick Leave will be at the employee's regular rate of pay. Use of this paid leave does not diminish the rights that an employee may have under the Vermont Parental Family Leave Act, 21 V.S.A § 470. An employee who resigns or is terminated from employment with the Town will not be compensated for unused Sick Leave.

4.6 Bereavement Leave

Full-time employees will receive up to five (5) paid bereavement days per year for the death of an immediate family member (parent, grandparent, spouse, child or grandchild). Employees may also use bereavement leave for the death of a Close Relative if the relative was living in the same household as the employee immediately preceding death. Employees will receive up to two (2) paid bereavement leave days per year for other Close Relatives.

Sick leave may be used for bereavement requirements that fall outside of the above situations.

4.7 Civil Leave

Both Part-time and Full-time employees are entitled to the following benefits for performing their civic duties:

In the event of Jury Duty unrelated to their status as a Town employee, the Town shall pay the employee's regular pay for the regularly scheduled hours of work that are missed due to reporting for jury duty or serving as a juror or witness.

When Town employees are called to serve as a witness in a court proceeding due to their status as an employee of the Town, the Town will compensate the employee for the difference between their regular rate of pay and their compensation as a witness. The Town will pay the difference only when the employee's regular rate of pay exceeds their compensation as a witness.

In the event of Military Reserve Duty, the Town shall pay the difference between the employee's regular pay and the pay received while serving in this capacity. Documentation of duty pay must be presented to employee's Department Head in order to receive the difference. Only the time corresponding to the employee's regular work hours will be compensated.

4.8 Unpaid Leave

After completing the 6 month probationary period, all employees, full and part-time, shall be eligible to take up to 12 weeks of unpaid leave of absence for the birth of a child, maternity or paternity leave, adoption, or for the illness of employee or family member that exceeds available Sick and Vacation Leave.
