Contract With Lafayette Regional Health Center

After checking with the church's insurance agent, attorney, and getting an inspection from the Lafayette County Health Department, Rev. Liz signed a contract with LRHC whereby they are renting our kitchen for \$1,000.00 per month. The contract runs July 11th through December 1st. The hospital cafeteria is going through a major remodeling, and the hospital needed a place to cook in order to provide hot meals for their patients. Thank you, Trinity UCC for providing this hospitality to LRHC and all their patients!

This partnership is directly related to the church's healthcare mission. Speaking of which, **Cancer Assistance Relief (CAR)** is in need of volunteer drivers to transport patients to their oncology appointments in the city. For more information, or if you would like to volunteer, please call Betty Weddle at 660-909-2868.
