From The Community Spiritual Director

May is always a very busy month for our family. We have several birthdays, a couple of anniversaries, Mother's Day, usually a men's walk, and various other activities to fill up our calendar. This year we added a senior prom and graduation. I was thinking the other day, even though I have enjoyed each and every one of these activities, I will kind of be glad to get to June so I can get a little rest. Then I looked at my calendar for June and guess what? Yeah, you guessed it. No rest in June. VBS, church annual conference, marketplace at Ruggles, need I go on? I can see many of you out there in cyberland nodding your heads and saying, "I know the feeling." Don't get me wrong, I am immensely blessed to have all these things on my calendar. They remind me that God is using me, that I have many people in my life who love me and who I care for very much. I feel for the people who have nothing to do, nowhere to be. However, at my age, and I know that there are several of you that know firsthand what I mean, there are times I need rest. We serve a God that knows our needs better than we do and he always, always supplies us with just what we need when we need it. He tells us that if we are tired we should come to him and he will give us rest. Just as the peace Jesus promises is not the peace the world gives, neither is the rest God gives us the rest the world gives us. He doesn't give us rest in the form of a nap or a day off. He gives us eternal rest. He gives us additional strength as we have need. He tells us that if we hope in him we will not grow weary, we will not faint, we will renew our strength. Need rest? Come to Jesus. He knows what you need. He will supply your every need.

But those who hope in the **Lord** will renew their strength.

They will **soar** on wings like eagles;

they will **run** and not grow weary,

they will **walk** and not be faint.

Isaiah 40:31

"For where two or three gather in my name, there am I with them."

Matthew 18:20
