

For Our Physicians

Care Plan Oversight (CPO)

Let Community Care Health help improve your bottom line without any extra work by using **Kinnsler Physician Access™** for your Care Plan Oversight (CPO).

What is Physician Access™?

Physician Access™ is a HIPAA-compliant, free online service specifically designed to streamline the process of ordering and billing of Home Health services from physicians.

Features & Benefits

- Maximize your practice revenue by thousands of dollars with more effective Care Plan Oversight (CPO) billing
- Automatically generate all necessary claim forms for Care Plan Oversight
- Reduce time spent signing home health orders, billing and managing documentation
- Digitally sign all home health orders from one screen
- Easily refer patients via a simple online form
- Automatically manage and store all home health related documentation
- No cost to physicians for this powerful service
- Nothing to download or install, all you need is a Web browser and an Internet connection
- Reduce cost, time and follow up associated to faxing and receiving orders
