

I won't last a day without you

344

**Day after day I must face the world of strangers
where I don't belong I'm not that strong
It's nice to know that there's someone I can turn to
who will always care You're always there**

CHORUS

**When there's no gettin' over that rainbow
When my smallest of dreams won't come true
I can take all the madness the world has to give
But I won't last a day without you**

**So many times when the city seems to be without
a friendly face, a lonely place
It's nice to know that you'll be there if I need you and you'll
always smile It's all worthwhile**

CHORUS

**Touch me and I end up singin',
troubles seem to up and disappear
You touch me with the love you're bringin'
I can't really lose when you're near, when you're near
If all my friends have forgotten half their promises, they're not
unkind, Just hard to find
One look at you and I know that I could learn to live without
the rest, I've found the best**

CHORUS (2)

(won't last a day without you, without you)
