CLUB VOLUNTEERS: Our club is 'volunteer-driven' and we encourage all members to become more involved.

Participating in the various functions that need doing at the meetings or behind the scenes is the best way to get to know fellow members. We require on-going help in a number of areas and our goal is to have back-up members for every job at our meetings and behind the scenes areas. Please indicate all the activities you might be interested in helping out – it's very helpful to know who we might call upon as a need arises.
