

Waterford Board of Civil Authority

Grievance Hearing Minutes

Thursday, September 12, 2024

In attendance: David Morrison, Ron Gray, Sukey Watson, Marcia Martel, Sue Hayes, Kris Fessenden, Josselyn Barrett, and Deb Benoit

David Morrison called the meeting to order and resumed the grievance hearing at 2:00 PM for parcel # 692 Great River Hydro, Moore Dam, and 42 acres.

Ron Gray made a motion to accept the grievance hearing minutes from August 23, 2024. Marcia Martel seconded the motion. Approved 4-0

David Morrison presented the Inspection Report. See attached.

Marcia Martel was not present at the inspection and asked why there was such a big difference in the dollar amount between Sansoucy Associates and Great River Hydro. The difference is because of the CLA rate. Marcia also asked Josselyn Barrett from Great River Hydro would they be willing to make a compromise with the Sansoucy Report and she stated NO.

There were no additional questions from Great River Hydro.

A decision will be mailed to Great River Hydro in 15 days.

Ron Gray made a motion to go into deliberative session at 2:10. Marcia Martel seconded the motion.

The BCA exited Deliberative Session at 2:20 PM
