In Remembrance

Too Soon

*This was a life that had hardly begun
No time to find your place in the sun
No time to do all you could have done
But we loved you enough for a lifetime*

*No time to enjoy the world and it's wealth
No time to take life down off the shelf
No time to sing the songs of yourself
Though you had enough love for a lifetime*

*Those who live long endure sadness and tears
But you'll never suffer the sorrowing years
No betrayal, no anger, no hatred, no fears
Just love - only love - in your lifetime.*
