Dear Friends and Family,

Greetings in the name of our Blessed Lord, Jesus Christ! The last two months have been so exciting! Since our last letter in March, we have had so many amazing blessings. First of all, shortly after our last letter was sent out, the Lord provided and blessed us with the money for plane tickets! Secondly, four churches took us on for support! This brings our support level to 83%! We are very close to our target mark of 90% after which we will finalize a departure date and purchase plane tickets.

The Lord also took care of an unexpected and unplanned expense. When we started deputation we were not considering getting a shipping container for our belongings. Due to the cost of containers, we planned on sending what we really needed or wanted through air-post. However, we had a Skype meeting with Bro. and Mrs. Ledbetter at the end of March, and they both strongly recommended us getting a container. We had no idea where to look and began praying for the Lord's direction. Within a week from that conversation, the Lord provided \$3500 from unexpected sources. I contacted several Irish missionaries about shipping companies they had used, and most who responded highly recommended a company in Georgia. I emailed them and received a quote of about \$4500. One of our supporting churches found out about the remaining amount and decided to make it a part of their Missions Conference theme. They invited us to the Monday night service, asked us to come up to the platform, and presented us with a \$1000 check. This event has increased our faith that God can take care of us and already knows our needs ahead of time. This is also a huge answer to prayer, and I believe it was answered because of the hundreds of people who are praying for us often. All I can say is, "Praise the Lord!!!"

We have another opportunity for you to be able to follow us and be a part of our ministry. We have a new website! While on deputation our former website was a great blessing, but this new website will be easier to maintain and manage while in Ireland. Our new web address is [www.irishdays.net](http://www.irishdays.net). Please feel free to take a look and email us any comments you have!

We are so thankful for your faithful prayers and support! We appreciate your love and sacrifice as unto the Lord on our behalf and never take it lightly. We pray the Lord blesses you abundantly for your labor of love to us.

Your Missionaries to Ireland,

Andrew and Jennifer Day
