2026 Tours

Dear Repine Travel Friends,

We are looking forward to another wonderful year of travel, but after 25 years in business, and as I near retirement, we are making some changes! We plan to do tours for a couple more years, but we are cutting back substantially on things that are less popular with you, our wonderful customers. We picked some of your favorite tours over the years and hope you will still find something you like.

Lori retired the end of December to spend more time with her grandchildren. She was my righthand woman and we will miss her greatly! She still plans to travel with us some so hopefully you will get to see her on occasion!

Wendy is still going to be helping in the office a day or so a week, along with the occasional day trip. You may even see her and her husband on some of the bigger trips as well.

Thank you for your continued support and we hope to see you all soon!!
