

Center Congregational Church

Rev. J. R. McAliley III
PASTOR

Dear Friends and Neighbors,

We are a small neighborhood church that has been part of the Buckhead community since 1887. We have a deep sense of gratitude for the blessings God has bestowed upon us and believe in the power of prayer and count it as a privilege to offer prayer in every area of life. As part of our worship together, we like to pray for each other and those we serve. We would like to pray specifically for you and any needs you feel comfortable sharing.

We invite you to respond to this note either by email, phone, or mail with prayer requests in a sentence or two. Each week we will spend time, as a team, praying specifically for your request. You may also use the attached form and provide as much information as you wish.

May these days be ones of great hope for you and your family.

Blessings,

Rev. J.R. McAliley III
