Dear Public Water Supply Owner/Operator:

**SUBJECT: Lead Consumer Notice and Drinking Water Lead Sample Results at:
FAITH BIBLE BAPTIST CHURCH – WSSN: 2029908**

Nontransient public water supplies are required to provide all lead compliance sample results for drinking water to consumers, pursuant to Rule 410(5) of the Safe Drinking Water Act, 1976 PA 399, as amended. **The Lead Consumer Notice (LCN), including the Drinking Water Lead Sample Results Table, shall be posted within 30 days of the owner/operator learning the results, even if no lead is detected.**

Immediately post the LCN and Drinking Water Lead Sample Results Table, following these instructions:

- 1) Review for accuracy the enclosed table with sample locations, date(s), and results. Make comments as needed in the "comments" section of the Drinking Water Lead Sample Results Table.
- 2) Sign and place your contact information as the owner or operator.
- 3) Complete one LCN for each occupied building where lead samples were collected.
- 4) Photocopy or scan the signed LCN and return to this office. Follow return instructions below.
- 5) Post the **original**, signed LCN and Drinking Water Lead Sample Results Table at a location that can be viewed by all potential consumers, such as a bulletin board.

Return Instructions:

Soon after posting, but no later than three (3) months following receipt of this letter, one **COPY** of the signed LCN must be submitted either via **e-mail to DEQ-EH@michigan.gov** (confirmation of receipt e-mail will be sent); **fax at 517-241-1328**; or by mail to the **Department of Environmental Quality (DEQ), Drinking Water and Municipal Assistance Division, Environmental Health Section, P.O. Box 30817, Lansing, Michigan 48909-8311.**
