Upcoming Event

February 19, 2012 Juice will headline a very important event. The event is a benefit concert to be held at Sycuan Casino in El Cajon, CA (San Diego County) for an incurable devastating neurological disorder called Dystonia and the many forms it takes. To find out more go to www.dysphonia.org or www.dystonia-foundation.org/.

Tickets are on sale now at www.sycuan.com/entertainment. Prices are \$35.00 & \$45.00 and all proceeds goes to dystonia research to help find a cure.

Opening the show is New Age Artist Billy McLaughlin. Billy has dystonia in one of his hands. He retrained himself to play in a very unique manner and now is back on tour. You can see his story at www.billymclaughlin.com.

Additionally to the opening of the show, San Diego's own D.C. Hathaway will be performing. D.C. has Spasmodic Dysphonia, same as Paul Fowler JNFC President. Find out more about D.C. and his story at www.dchathawaymusic.com.

This event is very important to many people . "When I was diagnosed with my form of Dystonia called Spasmodic Dysphonia, I knew I wanted to do something to raise awareness and to help find a cure." Paul Fowler said.
