# TA SULLIVAN III

## Retirement - 25 Years of Service

Maintenance Director TA Sullivan III will be retiring this month with Friday, March 6 being his last working day. TA started off as a seasonal maintenance employee for the park and worked his way into a full time Maintenance Foreman role in 2001 while learning under longtime former Maintenance Director Larry Duncan. TA was then promoted into the Maintenance Director role upon the retirement of Larry Duncan. TA has spent the last 25 years as a full time employee of Harrisburg Township Park District and has always gone above and beyond what the job has required. He has shown up to work each day with the mindset to make our park the best it can be and to serve our community. We would like to thank TA for who he is as a person and what he has meant to the Park District. The parks and facilities are looking amazing and TA has been a big part in doing so. If you see TA in the near future please tell him thank you for the role he has played in bettering our parks in Harrisburg.

We would like to recognize TA Sullivan III for his 25 years of contributions, community leadership, and service to advance parks and recreation as a valued member of Harrisburg Township Park District.
