

For the next two worship Sundays, we will not have a traditional worship service at Cumberland. We will have a one hour prayer time for persons to come to the church, pray for a brief period and be given an opportunity to share their tithes and offerings. This one hour gathering from 10:00 a.m. - 11:00 a.m. is designed to give persons a chance to come in and worship briefly through prayer and meditation. Please consider taking advantage of this brief worship opportunity. Please enter the sanctuary from the rear of the church handicap ramp door.

For those who will not be taking advantage of the brief opportunity to come to the church for prayer, I am asking that you still continue supporting the church with your ongoing tithes and offerings. We already have in place an online giving tool for persons who are not living in close proximity to the church and I ask that we utilize the online giving tool as much as possible. In addition to the online giving tool, persons can also come to the church office on Mondays and Thursdays between the hours of 10:00 a.m. and 3:00 p.m. and drop off tithes and offerings. If you are unable to come to the church on Mondays or Thursdays between the hours of 10:00 a.m. and 3:00 p.m. you can also call the church office at (843) 662-2904 to leave a message for Ms. Hamlin to make arrangements for someone to come and pick up your tithes and offerings. Ms. Hamlin can also be reached via cell at (843) 319-1508. Lastly, you can still mail in your tithes and offerings in the form of a check to the church at 163 South Coit Street, Florence, South Carolina 29501.

Remember to take full advantage of this time by:

1. Reaching out to one another through daily phone calls. If we can connect with 5-10 persons throughout the day, it could help lift up the morale of individuals who might be feeling isolated or even depressed because of what is occurring in our lives. God can work through each of us to be there for one another during this critical phase of our lives as persons
