We're looking for a stroke of Good Luck this month! We are celebrating St. Patrick's Day and Dr. Suess, gaining more independence, and getting ready to bust out of our cocoons.

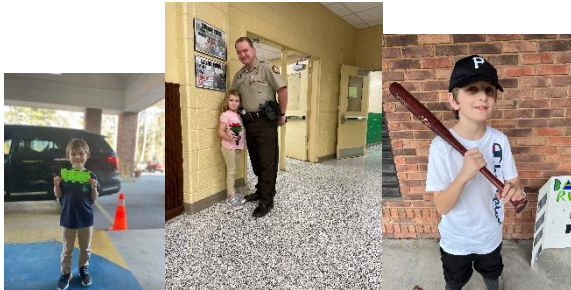

Students are wrapping up in the character seeds Charismatic, Kindness, Friendship, Self-Control, and Independence. Stay tuned to see what's been happening at LEAP!

## Congratulations to our Star Students of the Month!

Orange Group - Jordan Greene  
Blue Group - Collin Tucker  
Yellow Group - London Hudson  
Green Group - Kingston Moore

Star students are picked based on the LEAP Character Seeds they plant. These students exemplify building character and trying hard. They accept challenges and love to grow!

## LEAP REPLAY

Students worked with the character seeds Perseverance, Determination, Leadership, Self-Control, and Enthusiasm. They had fun with the dental hygiene and Valentine's Day Themes. Students recognized National Kindness Day by creating posters that were shared throughout the school cafeteria.

### RIDDLE ME THIS

There was a terrible car accident involving a father and his son. Unfortunately, the father died in the accident, but they rushed the son to the hospital to receive lifesaving help from a surgeon. When the surgeon is about to make the incision, the surgeon says, "I cannot operate on this boy because he is my son!" Explain how it's possible.
