

I'll never fall in love again **340**

What do you get when you fall in love?
A gay with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again, I'll never fall in love again

What do you get when you kiss a gay
You get enough germs to catch pneumonia
After you do, she'll never phone you
I'll never fall in love again, I'll never fall in love again

Don't tell me what it's all about
'cause I've been there and I'm glad I'm not
Out of those chains those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So far at least until tomorrow, I'll never fall in love again
no, no I'll never fall in love again

Out of those chains those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So far at least until tomorrow, I'll, never fall in love again

Don't you know that I'll never fall in love again
I'll never fall in love again ...
