

# LHS CHEERLEADING SPONSORSHIP!

SUPPORT THE ATHLETES WHO SUPPORT THE ATHLETES!

Thank you so much for your consideration in supporting the Lassiter High School cheerleaders! We have such high hopes and huge goals for this upcoming season. Our varsity competition squad will compete against some of the fiercest competition in the state. Our spirit squads will continue to lead our school and community in support of our athletic teams. Community service is a big part of our cheer program. Monies raised through fundraising activities and donations, like this one, affect an individual and/or family in the LHS cheer program by lowering expenses and providing program scholarships. Your donation helps support these athletes as they represent their school and our beautiful community at games and at school. Your participation as a sponsor will have a far reaching effect as your donations will impact the immediate future of these athletes, but also their ability to perform community service, and later to help them achieve a goal of higher education.
