From The Community Spiritual Director

Spring begins in just a few days. We will hopefully realize it's spring by the trees beginning to bud, the flowers blooming, the grass greening up (and needing mowing!), warmer temperatures and some other signs. As spring arrives one other sign that it is truly here is the spring Emmaus walks are right around the corner. Excitement should be overtaking our community. Here is an opportunity for us to watch one of the greatest miracles we have the privilege of observing. The changing of lives. Each walk we see lives change, which in turn means that homes will be changed, churches will be changed, communities will be changed, and through the power of God the world will be changed. However, in order for this to happen we need to do our part, so God can do his part. Our part, at least for right now, is to sponsor. I want to challenge each of you to spend the next few days thinking and praying about who you might sponsor on this spring's walks. While you are doing this, picture in your mind what God might do in the life of these people that would begin the process of change. Isn't it exciting to know that one little thing you can do could make such a difference in many lives? Each of us has been blessed by our experience on the Walk to Emmaus and now we need to share that blessing. We have had to cancel two consecutive men's walks because we didn't have enough men sponsored to have the walks. Had we done our part a little better there may already be improved quality of life for many people. The motto of the United Methodist Church is to "make disciples of all men for the transformation of the world." Let's get busy working on sponsorship. It could lead to more than we can ever imagine.

It could transform the world!

Sponsorship

Please be in prayer for our Spring Walks. It is not too soon to begin thinking about who you might sponsor for the upcoming walks. Sponsoring is one of the most important aspects of the Walk to Emmaus. As you pray commit the process to God and let Him give you direction, then commit yourself to follow where he leads you.

If you have any questions about sponsorship, please contact our Sponsorship Coordinator, **Bill Henry (Oh)** (bill.henry31@gmail.com).

Volunteering

Get ready, our spring **prayer charts** will be coming soon! Please be in prayer about your service to our community and if you would like to volunteer for anything in 2019, please reach out to our Volunteer Coordinator.
