Otolaryngology Practice Opportunities

We represent hiring hospitals and practices all around the USA!

St. Johnsbury, Vermont: Join a hospital-owned practice in scenic **NE Vermont**, near New Hampshire! A respected 25-bed hospital invites a **general ENT** to join an Audiologist, supported by nearby specialists – so call is just 1:3. Choose a **4 or 5 day/week schedule**. Come to Vermont's **Northeast Kingdom**, known for rural charm, unspoiled beauty, abundant wildlife, and four season recreation. Enjoy classic New England: **rolling hills, farms and forests, quaint towns, scenic rivers and lakes – and affordable real estate!** With excellent schools, arts, shopping and outdoor activities (like superb skiing, picturesque hiking, challenging golf courses, and world-class mountain biking) this is a great place to call home. Vermont is the **Healthiest State** in the continental US! Live 100 minutes from Burlington (200,000 people) and 3 hours from Boston. **Student loan assistance available!**

Valparaiso, Indiana: **1 hour from Chicago!** We need a **top-notch ENT** to assume a retiring specialist's busy, well-established practice **caring for patients of all ages**, just minutes south of Lake Michigan. This hospital-owned practice has an on-site lab and allergy testing/treatment equipment (with an Allergy Technician) is just 15 minutes from a newer 18-bed **physician-owned medical center** with **five state-of-the-art operating suites** and a medical staff of 150. **Come to NW Indiana**, in easy reach of **America's 3rd largest city:** Chicago has a metro area of over 9 million, with major sports teams, entertainment, shopping and dining galore, and respected colleges too. Enjoy the scenic beaches of Lake Michigan, and boating of every type! Student loan assistance offered here!

Machias, Maine: **Come to the Coast!** This charming community in **beautiful Downeast Maine** offers an active solo practice, assumed from a retiring specialist. Join in a **multi-specialty clinic** with collaborative ENT, Allergy, and Audiology. Providers are here **for the lifestyle, and quality of work and care they can provide!** Enjoy a **4 day/week schedule**, and an excellent support team. Machias is 90 minutes east of Bangor (Maine's 3rd largest city). This quiet town attracts those seeking **"the traditional Maine way of life."** Pretty harbors are dotted with working boats and pleasure craft, and the town offers antique shops, galleries, and great restaurants. **Find an affordable home with an ocean view**, or on a lake, a historic farm, or in-town! Enjoy scenic vistas, wildlife, and recreation galore in one of New England's **safest small towns!** **Student loan assistance available!**

Rutland, Vermont: Join a **private practice** affiliated with state's 2nd largest hospital (an A-Rated 188-bed medical center serving 85,000). The hospital scores in the top 5% for "Teamwork between providers and nurses" and "Expertise of the nursing staff"! **Join 3 Physicians** covering two modern sites. Rutland is a **growing community** in **scenic central Vermont** welcoming new physicians. ENTs with a **J1/ H1B visa** are invited to apply! Vermont is the **Healthiest State** in the continental US! Rutland is at the base of **the largest ski area in the East**. Enjoy classic New England: **beautiful rolling hills, picturesque towns, rivers and lakes – and affordable real estate!** Imagine summer days on quiet lakes... the crisp, colorful beauty of autumn... and tremendous skiing or snowboarding! Rutland is 2 hours from Albany, NY, and 3 hours from Boston.

Knoxville, TN: Join a **big private practice with eight specialists** in a desirable community **near the scenic Smoky Mountains**, affiliated with a 400+ bed regional medical center – part of the largest health system in Eastern Tennessee. This practice has **strengths in audiology and allergy**, and cosmetic care too. Begin as an employee on a **fast track to partnership!** Knoxville is a unique city offering interesting attractions: enjoy live theater, opera, museums, shopping and world-class restaurants! Sports enthusiasts relish the **hiking and biking trails** near the Tennessee River, and **golf courses** throughout the region. This diverse community is a wonderful, affordable place to live! Knoxville is just an hour from **Smoky Mountain National Park** or the resort of Gatlinburg, and 2 hours from Asheville, NC. There is **no state income tax** in Tennessee! **Student loan assistance is available!** **Doctors in residency or fellowship can sign now, and earn a stipend for the remainder of your training!**

Carlsbad, NM: **Come to the sunny southwest!** Join the superb medical staff of a 120-bed community hospital in **SE New Mexico** as the sole ENT, and enjoy an excellent referrals from area physicians. This hospital has **excellent surgical suites**, and a **fully equipped Otolaryngology office** is ready, with trained medical and admin staff. **Carlsbad** is a family friendly community of 50,000 enjoying **year-round sunshine**, a relaxed Southwestern lifestyle, and a diverse culture. With a **low cost of living** and great schools, this beautiful area features activities including exploring **Carlsbad Caverns National Park**, a downtown river walk, and picturesque golf courses. Enjoy fishing and boating on local lakes and rivers, hiking and rock climbing, and photography – with scenic vistas at every turn. Carlsbad is just north of Texas – 2 hours from El Paso (on the border with Mexico) and Odessa, with a 250K people. **Student loan assistance is available!**

Sebring, Florida: Join a 180-bed regional medical center **90 minutes south of Disney World/Orlando** in beautiful south-central Florida! Practice in a comfortable hospital-owned suite near the medical center, which serves nearly 100,000 people from more than a dozen communities. Sebring is just 70 miles from both the Gulf and Atlantic beaches. Enjoy year-round sunshine and a friendly, small-town atmosphere. Hundreds of area lakes means **lakefront living is readily available!** Sebring is growing due to affordable property and quality schools. Enjoy abundant local recreation, especially golf, and have **easy access to the major theme parks** in Orlando – **one of the best cities in the US for singles** and romantics of all ages, with a thriving music scene and more. There is **no state income tax** in Florida! **Student loan assistance is available!**

St. Petersburg, Florida: Join an established practice **on the Gulf Coast!** **Those with interests in complex airway issues** get priority attention! This practice is affiliated with a **400+ bed academic medical center**, providing care for children and adults, with shared call on a 1:4 basis. St. Pete is known for warm weather and refreshing breezes off Tampa Bay. This sprawling metro area has 4 million residents. **Find everything here:** respected colleges, international airports, shopping malls galore, and excellent dining – featuring fresh seafood and Latin cuisine. Visit the Salvador Dali Museum, picturesque St. Petersburg Pier, and several beautiful sandy beaches! Local recreation focuses on sailing and golf. Root for the local pro sports teams: NFL Tampa Bay Bucs, NHL Tampa Bay Lightning & MLB Tampa Bay Rays. **Major theme parks**, including **Walt Disney World**, are 90 minutes away in Orlando. There is **no state income tax** in Florida! **Student loan assistance is available!**

Lufkin, Texas: Join a private group affiliated with an **award-winning 140-bed community hospital** in **East Texas!** This hospital **ranks in the top 5%** nationwide for clinical excellence! Join an Otolaryngologist and share call, on a **fast track for partnership!** Lufkin is **2 hours north of Houston**, and 3 hours SE of Dallas – in a region of lush woods and lakes, between two National Forests! This is paradise for fishing and hunting, and a haven for boating, hiking, biking, and golf – with one of the best courses in Texas. The hospital serves some 200,000 people – many of whom commute to or through Lufkin – a business and commerce hub. There are **many services and entertainment options here** for a city its size! Enjoy a **home-town atmosphere with very low crime rates**. An International Airport is 90 minutes away, toward Houston – the biggest city in Texas – and 4th largest in the USA. Lufkin is 2 ½ hours from the Gulf Coast, which has **frequent cruises to Mexico and the Caribbean!** Remember, Texas is a Tort Reform state, and has **no personal income tax!** **Student loan assistance is available!**

New opportunities come up regularly! Contact me to get convenient updates by email. Thank you!
