CHIEF FRANK KAMBISH PASSES AWAY

Our former Fire Chief, Frank Kambish, died from a heart attack on 11-22-20. Frank was a great friend and mentor to the fire fighters on the Shelter Cove Fire Department and was a very respected and loved community member. His wife, Carolyn, would like everyone to know that there will be a belated gathering in 2021, as soon as Covid-19 restrictions are lifted. Please keep their family in your thoughts and prayers.

Fire Extinguisher Recharge Reminder:

The community may bring their fire extinguishers to the Fire House on the morning of Thursday, December 10th, for recharging by Eureka-Humboldt Fire Extinguisher, phone 822-2517. The cost of this service will depend on the unit size.

Burning Restriction Now Lifted:

The State lifted the burning ban but fire conditions in Shelter Cove can still be unsafe due to wind and our warm micro-climate. Please call our office at 986-7447 during regular business hours or the Fire Dept @ 986-7507 for local fire conditions and call AQMD at 1-866-287-6329 for burn day information for Shelter Cove (Zone 1) after 5 p.m. the day prior to burning.

Burning is only allowed on authorized Air Quality Management District (AQMD) burn days with a valid AQMD burn permit on-site. Permits run from January to December and can be obtained online from <http://www.ncuaqmd.org/>. Please call the local AQMD office at (707) 443-3093 for further details.

Community Clubhouse Remains Closed:

The Clubhouse will remain closed for the rest of 2020 and into 2021 due to Covid-19 restrictions. We encourage people to get outside and recreate as much as possible this holiday season. Exercise and a good dose of sunshine help maintain good health and counteract the feelings of isolation.
