MERETTE RODRIGUEZ ARCHITECTS

The general management of the company is under the responsibility of the architects Hector Ruben Darío Merette Rodriguez & Sonja De Leon.

Merette, founder of the company, graduated as an architect at PUCMM in 1997 with experience in various architectural firms in the country until 1998 when he began the exercise independently.

De Leon, graduated in architecture in 1999 from UNPHU, with a Master's degree from the Polytechnic University of Catalonia in Barcelona, Spain in 2002. She worked for 6 years at Aerodom as Design Manager from 2003 to 2009, when started the exercise independently where she worked many projects in interior design, architectural design and supervisions. Since May 2017 has been part of MERETTE RODRIGUEZ ARQUITECTOS, SRL.
