FURNITURE TECHNOLOGY

We offer solutions and harmony.

Scilm has operated for over 45 years in the kitchen component market and supplies the major Italian and European brands. This success has been achieved thanks to technology, taste and the made in Italy style that distinguishes us. We do not only supply components but true systems and accessories suitable to build modern, practical and robust kitchens. We offer quality products for American homes that are quickly assembled, modular and render kitchens practically eternal. The Scilm skills are focused on molding, plastic extrusion and coating. Scilm is also equipped with advanced CNC equipment for aluminum processing and a modern anodizing plant.

The products presented in this catalog are entirely made in Italy.

Scilm meets the most severe environmental regulations and has the ISO certification for quality and environmental systems.

Nous offrons des solutions et de l'harmonie.

Scilm est présent depuis plus de 45ans dans le marché des composantes de cuisine et fournit les plus grandes marques italiennes et européennes. Ce succès a été obtenu grâce à la technologie, le goût et le style fabriqué en Italie qui nous distingue. Nous ne fournissons pas seulement des composantes, mais de véritables systèmes et accessoires pour construire une cuisine moderne, pratique et robuste. Nous offrons des produits de qualité pour les foyers américains qui sont rapidement assemblés, modulaire et rendent les cuisines pratiquement éternel.

Les compétences de Scilm sont axées sur le moulage, l'extrusion de plastique et le revêtement. Scilm est également équipé d'équipement CNC de point pour la transformation d'aluminium et d'une usine moderne d'anodisation.

Les produits présentés dans ce catalogue sont entièrement fabriqués en Italie.

Scilm répond aux normes environnementales les plus sévères et dispose de la certification ISO pour la qualité et l'environnement.

Ofrecemos soluciones y la armonía.

Scilm ha operado por más de 45 años en el mercado de componentes de cocina y suministros de las grandes marcas italianas y europeas. Este éxito se ha logrado gracias a la tecnología, el gusto y la hizo en Italia el estilo que nos distingue. No sólo la oferta de artículos, sino verdaderos sistemas y accesorios para construir una cocina moderna, práctica y robusta. Queremos ofrecer productos de calidad para los hogares estadounidenses que son de montaje rápido, modular y hacer cocinas prácticamente eterna.

Las habilidades Scilm se centran en moldeo, extrusión de plásticos y recubrimientos. Scilm también está equipado con avanzados equipos de CNC para el procesamiento de aluminio y una planta moderna.

Los productos presentados en este catálogo son totalmente fabricados en Italia.

Scilm cumple con las regulaciones ambientales más graves y tiene la certificación ISO de calidad y sistema ambiental.

# INNOVATION STARTS WITH SUSTAINABILITY

Innovation starts with sustainability. Committed to sustainability, Scilm is aware of environmental protection policies and the health of its employees. The company implements production processes to minimise all environmental impact while respecting the eco-system. SCILM has redefined its products by introducing, twenty years ago, the use of lead-free PVC and completely recyclable aluminium, in line with the standards of modern modular kitchens. The company focuses on alternative renewable sources and the production of clean energy while respecting the professional ethics that have always set it apart.

*L'innovation a comme point de départ la durabilité. Engagée dans le développement durable, Scilm a conscience des politiques de protection environnementale et de la santé de ses employés. La société met en place des procédés de fabrication en vue de minimiser toutes les répercussions environnementales tout en respectant l'écosystème. SCILM a redéfini ses produits en introduisant, il y a vingt ans, l'utilisation du PVC sans plomb et l'aluminium complètement recyclable, conformément aux normes des cuisines modulaires modernes. La société se concentre sur les sources renouvelables alternatives et la production d'énergie propre tout en respectant l'éthique professionnelle qui l'a toujours distinguée.*

*La innovación comienza por la sostenibilidad. Comprometida con la sostenibilidad, Scilm es consciente de las políticas de protección del medio ambiente y la salud de sus empleados. La empresa implementa procesos de producción para minimizar el impacto medioambiental al tiempo que se respeta el ecosistema. Hace veinte años, SCILM ha redefinido sus productos introduciendo el uso de PVC sin plomo y aluminio completamente reciclable, en línea con las normas de las modernas cocinas modulares. La empresa se centra en fuentes renovables alternativas y en la producción de energías limpias al tiempo que respeta la ética profesional que desde siempre la ha diferenciado.*

## 45 YEARS OF QUALITY

Our forty-five years of highly specialised experience in the modular kitchen sector have led to attention to details, precision, sophisticated technology, ethics and aesthetics.

In a word: quality.

Scilm was the sixth company in Italy to obtain ICILA certification in compliance with the standard UNI EN ISO 9001: 1994, the specific certification for the furniture sectors and woodworking production chain.

It assesses the conformity of the entire production line with criteria of efficiency, effectiveness and sustainability.

Scilm currently has UNI ISO 9001, UNI EN ISO 14001, Code of Ethics Legislative Decree no. 231/01 and UNI-INAIL Safe Work certification, thus confirming that its operational processes are implemented in compliance with the parameters of quality, correct environmental management and safety at work.

These certifications are important achievements but, above all, they are the right credentials and worthy testimony to our ongoing commitment.

We are acknowledged worldwide for this value-added feature.

# Excellent Solutions

## 1 Aluminum structures

### 1 Aluminum structures

- › WIDE CHOICE OF ALUMINIUM PROFILES
- › AVAILABLE IN VARIOUS DIMENSIONS AND SECTIONS
- › THEY CAN BE COMBINED WITH WOOD AND GLASS PANELS

## 4 Toe kick and accessories

- › THEY ALLOW THE PLINTH TO BE EASILY RELEASED
- › SPEED UP CLEANING OPERATIONS IMPROVING HYGIENE
- › SUITABLE FOR ALL TYPES OF LEGS AND TOE KICK

## 7 Gola Profiles

- › NO NEED TO DRILL HOLES IN CABINETS
- › WIDE RANGE OF CUSTOMISATIONS AND FINISHES
- › IDEAL FOR ALL AESTHETIC AND STRUCTURAL REQUIREMENTS

## 2 Strike shelves

- › MADE OF ALUMINIUM OR GLASS
- › GREATER LOAD CAPACITY THAN STANDARD SHELVES
- › AVAILABLE WITH BUILT-IN LEDS

## 5 Drip pans

- › AVAILABLE IN ALUMINIUM AND THERMOFORMED PLASTIC
- › GASKETS WITH ANTI-BACTERIAL TREATMENT
- › IT CAN FIT ANY PIECE OF FURNITURE

## 8 Crossbar/Rail profiles

- › THEY CAN BE FITTED TO THE FRONT AND TO THE REAR
- › EASY TO MOUNT ON ALL CABINETS
- › PROFILES CAN BE CUSTOMISED

## 3 Drawer accessories

- › EASY TO INSTALL
- › AVAILABLE IN DIFFERENT SIZES
- › PERFECT PARTNER FOR A SPOTLESS KITCHEN

## 6 Plan.a door

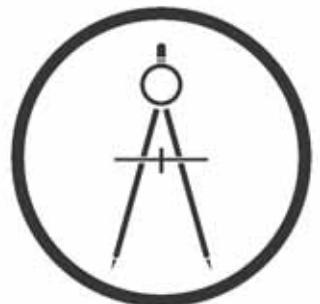

- › STREAMLINED ALUMINIUM STRUCTURE
- › SHOCKPROOF JUNCTIONS THAT ELIMINATE SHARP EDGES
- › DOES NOT ALTER HINGE ADJUSTMENTS AND ALIGNMENTS

## 9 Legs

- › HIGH PERFORMANCE COMBINED WITH HIGH RESISTANCE
- › QUICK TO ASSEMBLE AND EASY TO ADJUST
- › MADE OF HIGH-QUALITY PLASTIC

**THE DIFFERENCE  
IN THE KITCHEN**

**LEG LEVELERS,  
SOCKETS AND CLIPS**

**LEG LEVELERS,  
SOCKETS AND CLIPS****Why...**

It's the best way to install your cabinets.

- Quick to install, no tools required
- Cabinets built on Legs are easier to handle and have less chances of being damaged
- Cabinets on legs are easier to pack, stack and ship
- Cabinet protection against water and dirt
- Legs provide easy access for electrical, plumbing and cleaning
- Water resistant
- Lower cost than toe kick notched gables

**PIEDS NIVELEURS,  
BASES ET ATTACHES****Pourquoi...**

C'est la meilleure façon d'installer vos armoires.

- Rapide à installer, aucun outils nécessaire
- Les armoires construits sur pied nivelleur sont plus faciles à manipuler et ont moins de chances d'être endommagé
- Les armoires construits sur pied nivelleur sont plus faciles à emballer, empiler et expédier
- Le pied nivelleur permet un accès facile pour l'électricité, la plomberie et le nettoyage
- Protection d'armoires contre l'eau et la saleté
- Résistant à l'eau
- Coûts inférieur qu'armoire aux côtés encoché pour coup de pied

**PATAS DE NIVELACION,  
BASES Y PINZAS DE ZOCALO****Por qué...**

Esta es la mejor forma de instalar sus muebles

- Rápido de instalar, no requiere herramientas
- Los muebles construidos sobre patas son más fáciles de manejar y tienen menos probabilidades de sufrir daños
- Los muebles con las patas son más fáciles de empaquetar, apilar y transportar
- Protección de los muebles contra el agua y la suciedad
- Las patas facilitan el acceso a la electricidad, fontanería y facilitan la limpieza
- Resistente al agua
- Cuesta menos que la fabricación de paneles laterales con muescas para socalos de madera

**LEG LEVELERS,  
SOCKETS AND CLIPS****Technical Specifications...**

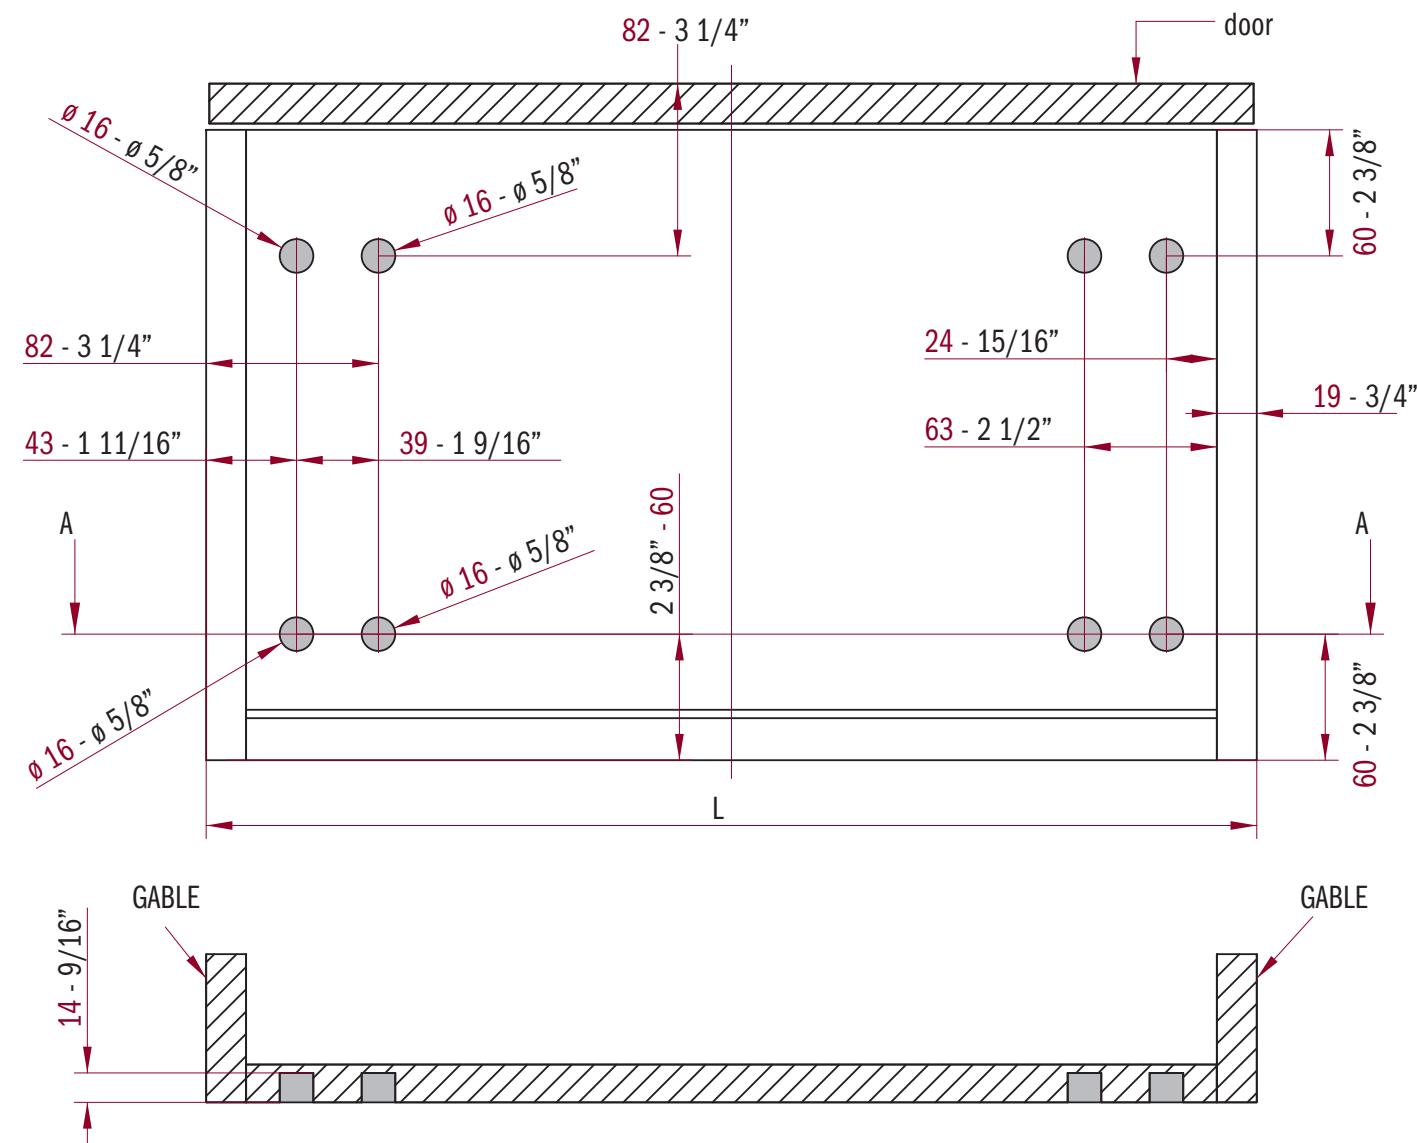

- Material: High quality PVC composition
- Performance: 882 lbs (400 kgs) weight resistance per leg
- Environment: 100% recyclable materials, Lead Free PVC

## **THE DIFFERENCE IN THE KITCHEN**

**"GOLA" PROFILES**

34

35

**Why...**

It offers a practical way to design a "European handle free" kitchen

- Innovative design
- Easier to clean
- Safety feature: no handles exceeding the doors
- Lower cost than traditional handles

**Pourquoi...**

*Il offre un moyen pratique de concevoir une cuisine "Européenne sans poignée"*

- Conception innovatrice
- Plus facile à nettoyer
- Caractéristique sécurité: aucune poignée dépassant les portes
- Coûts inférieur aux poignées traditionnel

**Por qué...**

Ofrece un método práctico para diseñar una cocina a la Europea sin manijas o agarraderas.

- Diseño innovador
- Más fácil de limpiar
- Elemento de seguridad: no existen manijas que sobresalgan de las puertas
- Cuesta menos que las manijas tradicionales

## ASSEMBLY METHODS

To be used with the following gola profiles:

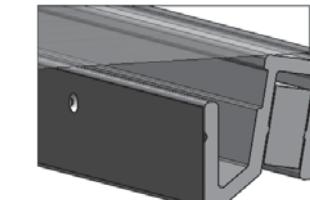

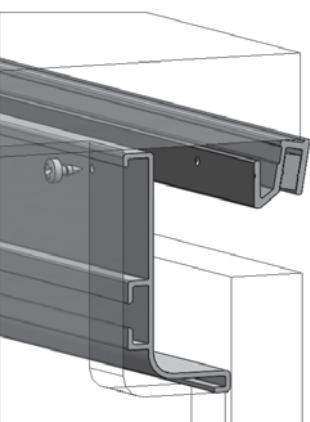

- 8006
- 8030
- 8007
- 8070

## 1. Assembly with screw

- Use self-threading screw 2,9x6,5TB (not provided)
- Use approximately one screw each meter
- Use "closed" end caps

## 2. Assembly with double sided tape

- The use of screws is recommended also when fixing the profile with double sided tape
- Use self-threading screw 2,9x6,5TB (not provided)
- Use approximately one screw each meter
- Use "closed" end caps

STEP 1

STEP 2

For 16mm - 5/8" gables, use a 2mm - 5/64" spacer between the Gable and the Gola profile

Pour les côtés de 16mm - 5/8", utilisez un espaceur de 2mm - 5/64" entre le côté et le profilé Gola

Para los costados de 16mm - 5/8", use un grosor de 2mm - 5/64" entre el costado y el perfil Gola

## **THE DIFFERENCE** **IN THE KITCHEN**

80

81

## **CROSSBAR/RAIL PROFILES**

**Why...**

It's an effective, practical and economical way to build not only the sink cabinet, but all base cabinets.

- Complete system for the construction of the cabinets;
- Quick to install
- Economical: no need for backs, roofs or edge banded stretchers or rails
- Cabinets built with aluminum cross bars are extremely durable, strong and provide easier and safer to handle as well as giving a modern flair
- Easy to manage: bars are to be cut to size and plastic accessories are designed to complete the assembly
- Options: the accessory 6588TP01 provides reinforced cross structure for stronger support
- Options: the accessory CSP0149-01SF allows a direct interlock with gola profile mod. 8006 with no need for support SU106 or SU126
- Options: the accessory CSP0121-01SF provides fastening to the countertop

**Technical Specifications...**

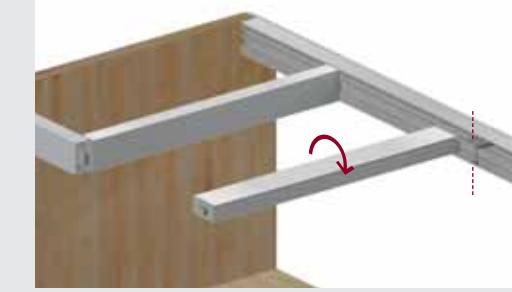

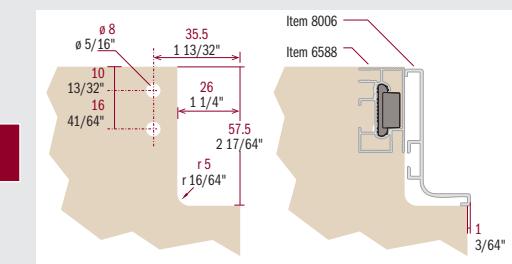

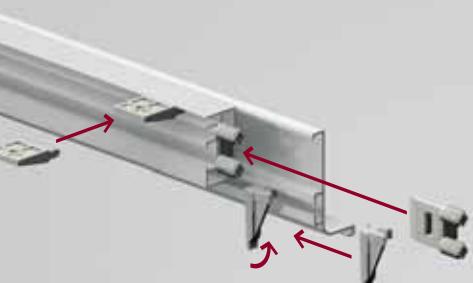

Material: Aluminum and Plastic  
Performance: Lined aluminum extrusion and highly resistant plastic injection accessories  
Environment: 100% recyclable materials

**Spécifications Techniques...**

Matière: Aluminium et Plastique  
Performance: extrusion d'aluminium lignée avec des accessoires très résistant en plastique injecté  
Environnement: Matériau 100% recyclable

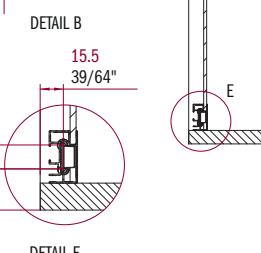

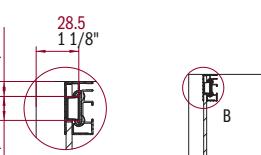

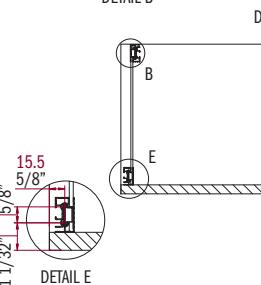

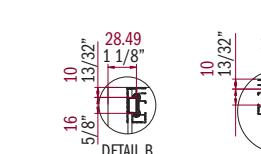

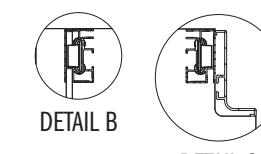

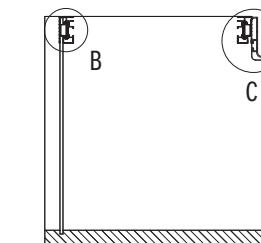

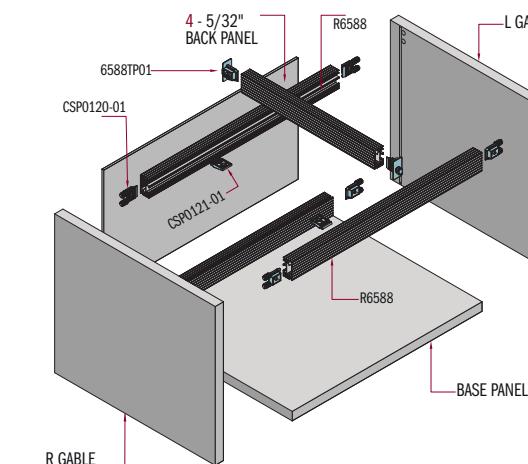

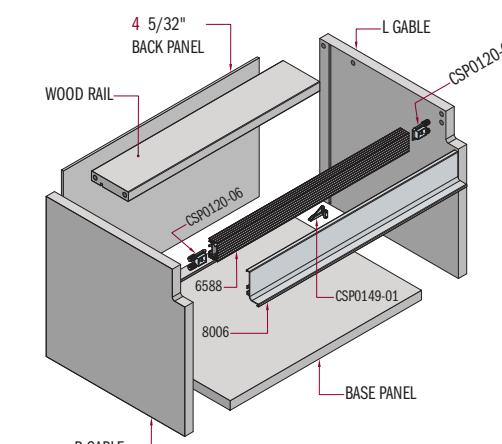

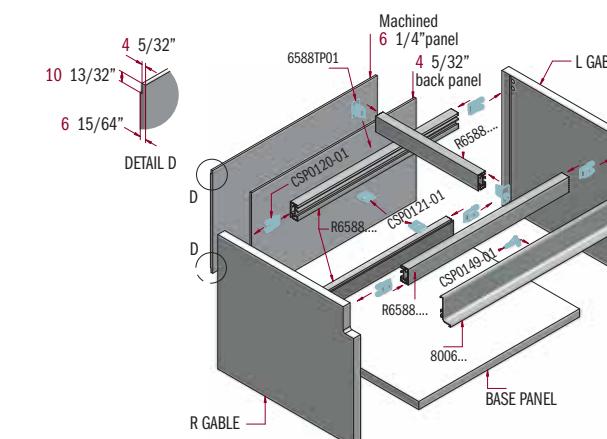

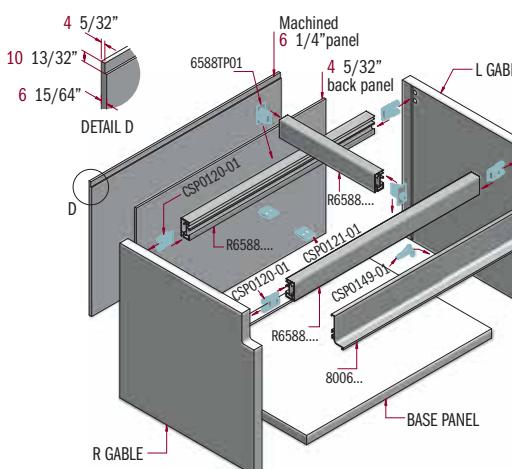

**Especificaciones Técnicas...**

Material: Aluminio  
Rendimiento: extrusión de aluminio forrado y accesorios de plástico de alta resistencia de inyección  
Medio ambiente: 100% reciclabl

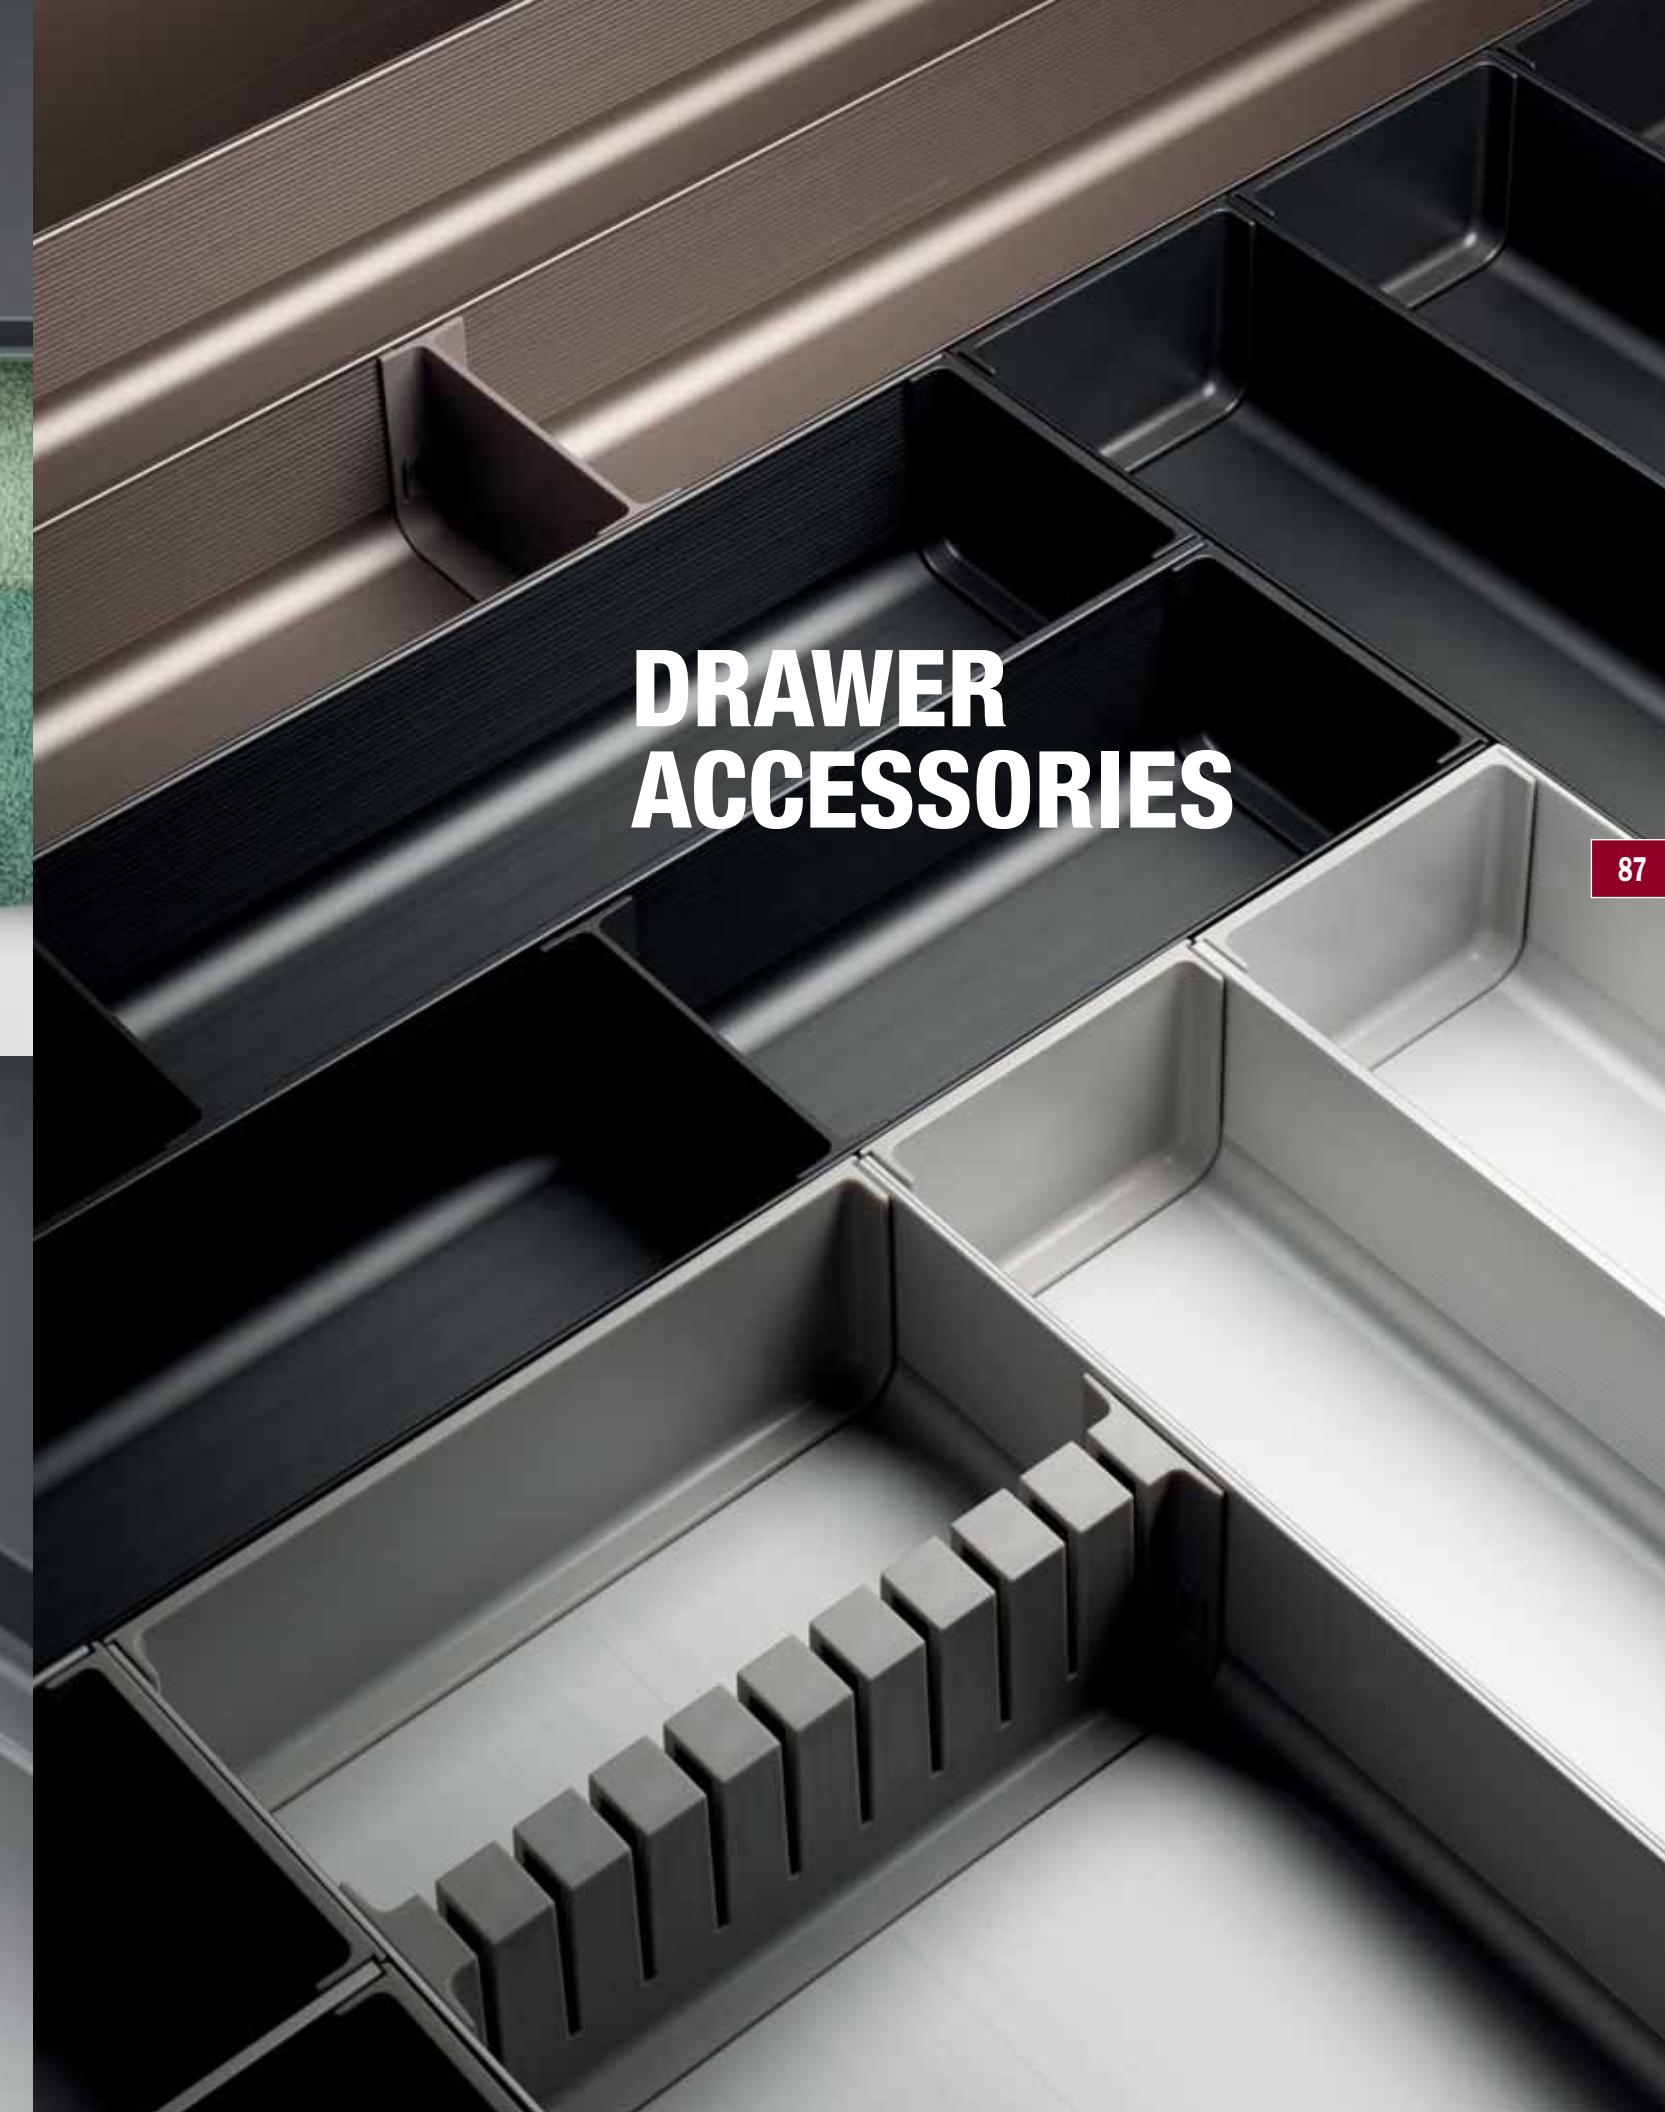

**Pourquoi...**

C'est un moyen efficace, pratique y économe de construire non seulement le meuble sous l'évier, mais toutes les armoires du bas.

- Système complet pour la construction des armoires;
- Rapide à installer
- Economique: pas besoin de dos, dessus ou de traverse plaqué
- Les armoires construits avec des transverse en aluminium sont extrêmement durables, plus résistants, se manipule plus facilement en toute sécurité et donne une allure moderne
- Facile à gérer: les traverses sont couper à la dimension requis et les accessoires en plastique sont conçus pour compléter l'assemblage
- Options: l'accessoire 6588TP01 permet un renfort croisé pour une structure avec soutien accru
- Options: l'accessoire CSP0149-01SF permet l'attache à la "GOLA 8006 - 8044" sans avoir le besoin d'utiliser le support SU106 ou SU126
- Options: l'accessoire CSP0121-01SF permet de fixer le plan de travail

## DRAWER ACCESSORIES

800

**Why...**

The system consists of two profiles: double rail and single tray. It's equipped with plastic end caps and dividers in matching colour that can be placed as needed thanks to an innovative snap-fit system.

**Pourquoi...**

Le Système séparateur de tiroir en aluminium composé de deux profils, d'un double rail et d'un bac. Équipé de bouchons en plastique et de séparateurs pouvant être positionnés à votre gré, grâce à un système innovant à encastrement.

**Por qué...**

Sistema de separadores de cajones de aluminio compuesto por dos perfiles, doble canal y una sola bandeja. Articulado con tapas de plástico y separadores que puede colocar a su gusto, gracias al innovador sistema de encaje que utilizan.

**PLASTIC WALL FOR SYPHON'S SPACE**  
Thermoplastic wall for the siphon's space in the washbasin drawer, height 35 mm, Grey Colour.

- This system consists of extruded bar and special terminals so there is the possibility to customize it in size.
- The height of 35 mm will allow the housing of the drawer even under very deep basins.
- Easy to clean.
- Unalterable.
- Protection of the base.

**PAROI EN PLASTIQUE POUR ESPACE DE SYPHON**  
Paroi en matériau thermoplastique pour l'espace du tiroir au-dessous du lavabo, hauteur de 35 mm, couleur gris.

- Ce système se compose d'une barre extrudée et terminaux spéciaux il y a donc la possibilité de personnaliser la taille.
- La hauteur de 35 mm permettra le logement du tiroir, même dans des bassins très profonds.
- Facile à nettoyer.
- Inaltérable.
- Protection de la base.

**PARED EN PLASTICO PARA ESPACIO SIFON**  
Pared baja para espacio sifón del cajón debajo del fregadero en material termoplástico, color gris.

- Sistema compuesto por barra extruida y terminales especiales, por lo que es personalizable a la medida.

• La altura de 35 mm permite alojar el cajón incluido debajo de fregaderos muy profundos.

• Limpieza fácil.

• Inalterable en el tiempo.

• Protección de la base.

## STRIKE ALUMINUM SHELVING SYSTEMS

THE DIFFERENCE  
IN THE KITCHEN

142

143

**STRIKE**

"Strike" is an innovative system for creating aluminum shelves for cabinets and closets. The "no tool" assembly joints system allows you to build shelves in just a few minutes. Every lateral profile is designed to receive a plastic insert that fits perfectly onto the shelf holders.

The "Strike" system can also be assembled as a lighted version with LED strips, not included. This enables you to provide lighted shelves which illuminate the closet thus not having to install any secondary light. Every shelf can support more than 88 lbs (40 kgs).

**STRIKE**

"Strike" est un système innovateurs pour la création d'étagères en aluminium pour les armoires et les placards. Le système de joint d'assemblage "pas d'outil" vous permet de construire des étagères dans quelques minutes. Chaque profilé latéral est conçu pour recevoir un insert en plastique qui s'adapte parfaitement sur les supports d'étagère.

Le système "Strike" peut également être assemblé en version éclairé avec bandes de LED, non incluses. Cela vous permet de fournir des étagères éclairées qui illuminent le placard donc il n'est pas nécessaire d'installer un éclairage secondaire. Chaque étagère peut supporter plus de 88 lbs (40 kg).

**STRIKE**

"Strike", es un innovador sistema de estanterías de aluminio para la creación de muebles, estanterías y armarios. El sistema de montaje "sin herramientas" permiten construir una plataforma en pocos minutos. Todos los perfiles laterales llevan un canal donde se inserta un soporte en plástico que se adapta a todas las medidas de los soportes de baldas.

El sistema "Strike" también puede ser ensamblado como una versión iluminada con bandas LED (no incluidas). Esto permite el suministro de repisas que iluminen el closet y así no tener que instalar ninguna luz secundaria. Cada repisa puede soportar 88 lb (40 kg).

**GENERAL TERMS  
AND CONDITIONS OF SALE****CONDITIONS GÉNÉRALES  
DE VENTE****CONDICIONES GENERALES  
DE VENTA**

The following General Terms and Conditions of Sale ("Terms and Conditions") govern the sales of kitchen components, accessories and related products ("Product") by Scilm America, Inc. ("Scilm America") to you ("Buyer"). Any term or condition in any order, confirmation or other document furnished by Buyer which is additional to, different from, or conflicting with these Terms and Conditions is expressly rejected and will not be binding upon Scilm America unless specifically agreed to in writing by Scilm America.

**1. ACCEPTANCE OF ORDERS.** All orders of Buyer are subject to Scilm America's written acknowledgement ("Order Acknowledgment").

**2. CANCELLATION OF ORDERS.** Scilm America's Order Acknowledgments are final and binding. Orders may not be cancelled without the prior written consent of Scilm America.

**3. PRICES.** Prices are as stated on Scilm America's Order Acknowledgment.

**4. PAYMENT.** Payment terms are as stated on Scilm America's Order Acknowledgment. Interest in the amount of 1% per month (12% per year) or the highest rate allowed by law, whichever is less, shall apply on all past due balances until such balances are fully paid. Should it become necessary for Scilm America to collect any past due balances by legal proceedings or otherwise, Buyer agrees to pay all costs of collection, including, without limitation, reasonable attorney's fees and court costs, incurred by Scilm America.

**5. SHIPPING.** Shipping terms are as stated on Scilm America's Order Acknowledgment. Unless otherwise agreed in writing by Scilm America (i) Buyer shall make all arrangements (and shall pay all costs) for the transportation and handling of the Product, (ii) delivery shall be deemed complete and title and risk of loss or damage to the Product shall pass to Buyer upon acceptance of shipment by a carrier, subject to Scilm America's right to be paid in full, (iii) Scilm America shall not be responsible to obtain and/or maintain for the account of Buyer any insurance against loss or damage to the Product in transit and the cost of any such insurance shall be borne by Buyer.

**6. DELIVERY.** The delivery dates set forth in Scilm America's Order Acknowledgments are estimates only. Scilm America shall make commercially reasonable efforts to deliver the Product in accordance with these dates; provided, however, that Scilm America shall not be liable for failure to deliver the Product as estimated.

**7. CLAIMS.** All claims against Scilm America for defects, errors or shortages must be made by Buyer in writing and notified to Scilm America within ten (10) days of receipt of the Product by Buyer. Failure by Buyer to make any claim against Scilm America within ten (10) days of receipt of the Product shall be deemed acceptance of the Product and a waiver of any and all defects, errors or shortages. Notwithstanding the foregoing, any use or transfer of the Product by Buyer, its agents, employees, contractors or licensees, for any purpose, after delivery thereof, shall constitute acceptance of that Product by Buyer.

**8. RETURNS OR EXCHANGES.** All sales of Product are final. No Product may be returned or exchanged without the prior written consent of Scilm America.

**9. INTELLECTUAL PROPERTY RIGHTS.** Any sale of Product hereunder shall not convey any express or implied license under any patent, copyright, trademark or other proprietary rights owned or controlled by Scilm America, whether relating to the Product or any manufacturing process or other matter. All rights under any such patent, copyright, trademark or other proprietary rights are expressly reserved by Scilm America. Buyer shall indemnify, hold harmless and defend Scilm America against any claim, loss, damage, expense and cost, including, without limitation, reasonable attorney's fees, resulting from or otherwise relating to any claimed infringement of patent, copyright, trademark or other proprietary rights arising out of compliance by Scilm America with Buyer's designs, specifications and instructions.

**10. DISCLAIMER OF WARRANTIES. SCILM AMERICA MAKES NO WARRANTY TO BUYER AND BUYER'S CUSTOMERS THAT THE PRODUCT DELIVERED TO BUYER HEREUNDER IS MERCHANTABILITYABLE FOR ANY PARTICULAR PURPOSE, AND THERE ARE NO WARRANTIES, EXPRESS OR IMPLIED, WHICH EXTEND BEYOND THE DESCRIPTION OF THE PRODUCT CONTAINED ON SCILM AMERICA'S ORDER ACKNOWLEDGMENT. SCILM AMERICA MAKES NO WARRANTY TO BUYER AND BUYER'S CUSTOMERS THAT THE PRODUCT IS DELIVERED FREE OF THE RIGHTFUL CLAIM OF ANY THIRD PERSON BY WAY OF INFRINGEMENT OR THE LIKE.**

**11. LIMITATION OF LIABILITY. SCILM AMERICA'S LIABILITY IN DAMAGES OR OTHERWISE SHALL IN NO EVENT EXCEED IN THE AGGREGATE THE TOTAL PURCHASE PRICE, IF ANY, RECEIVED BY SCILM AMERICA FOR THE PRODUCT. IN NO EVENT SHALL SCILM AMERICA BE LIABLE FOR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER BASED ON CONTRACT, INDEMNITY, WARRANTY, MISREPRESENTATION, TORT, NEGLIGENCE, STRICT LIABILITY OR ANY OTHER THEORY. THE FOREGOING LIMITATIONS APPLY TO BOTH BUYER AND BUYER'S CUSTOMERS.**

**12. FORCE MAJEURE.** Scilm America shall not be liable for any loss, damage, delay or failure to perform, in whole or in part, resulting from causes beyond the control of either Scilm America or Scilm America's suppliers, including, without limitation, acts of God, war, acts of terrorism, insurrections, riots, embargoes, fires, strikes, delays in transportation, inability to obtain supplies of raw materials, blackouts or governmental laws, regulations, orders or actions.

**13. PRODUCT SAFETY.** Buyer shall be solely responsible for compliance with all laws, rules, regulations and industry safety standards applicable to the distribution, sale and use of the Product supplied by Scilm America. Buyer shall cause all individuals and entities buying or otherwise obtaining the Product from Buyer to comply with such laws, rules, regulations and industry safety standards. Buyer shall indemnify, hold harmless and defend Scilm America against any claim, loss, damage, expense and cost, including, without limitation, reasonable attorney's fees and court costs, resulting from or otherwise relating to any claimed failure by Buyer to comply or cause any individual or entity to comply with such laws, rules, regulations and industry safety standards.

**14. EXPORT CONTROL.** Buyer shall comply fully with all administration and export control laws and regulations of the U.S. government as may be applicable to the export, resale or other disposition of any Product purchased from Scilm America.

**15. APPLICABLE LAW.** The laws of the State of New York (without giving effect to its conflicts of law principles) govern all matters arising out of or relating to these Terms and Conditions, including, without limitation, its validity, interpretation, construction, performance, and enforcement. With respect to international sales, the parties agree that the United Nations Convention on Contracts for the International Sale of Goods does not apply to these Terms and Conditions.

**16. DISPUTES.** Any party bringing any legal action or proceeding against the other party arising out of or relating to these Terms and Conditions shall bring such legal action or proceeding in the United States District Court for the Southern District of New York or in any court of the State of New York sitting in New York City. Notwithstanding the foregoing, any controversy or claim, including, without limitation, any controversy or claim based on misrepresentation, negligence or strict liability, arising out of or relating to these Terms and Conditions, which involves an amount in excess of \$50,000, exclusive of interest and costs, shall be settled by arbitration in the City of New York, State of New York, in accordance with the rules of the American Arbitration Association then in effect. The arbitration is to be held before a single arbitrator. The decision in such arbitration shall be final and binding and any award rendered thereon may be entered in any court having jurisdiction.

**17. NOTICES.** Any notice required or permitted to be given under these Terms and Conditions shall be made in writing and shall be deemed to have been given (i) if personally delivered, or (ii) if sent by registered or certified mail, postage prepaid, return receipt requested, or (iii) if sent by nationally or internationally recognized delivery service, or (iv) if sent by facsimile, to the address and fax number indicated by Scilm America in its first Order Acknowledgment and by Buyer in its first order to Scilm America. Notices shall be deemed to have been received (i) immediately, if personally delivered, or (ii) upon receipt as indicated by the date on the signed receipt, if sent by registered or certified mail, postage prepaid, return receipt requested, or by nationally or internationally recognized delivery service, or (iii) upon receipt by the party giving the notice of a transmission report generated by the machine from which the facsimile was sent indicating that the facsimile was sent in its entirety to the addressee's facsimile number, if sent by facsimile. Either party may from time to time change the address or fax number to which notices to it shall be given by giving notice of such change to the other party in the manner provided for herein.

**18. GENERAL PROVISIONS.** These Terms and Conditions and Scilm America's Order Acknowledgments constitute the final and integrated agreement of Scilm America and Buyer and supersede all prior negotiations, proposals, quotations, proforma invoices, understandings and agreements (except any prior written commercial credit agreement in effect between the parties), whether oral or written, relating to the Product or the subject matter of these Terms and Conditions. Any representation, warranty, course of dealing or trade usage not expressly contained or referenced herein shall not be binding upon Scilm America. No modification, amendment, rescission, waiver or other change in these Terms of Sale shall be binding upon Scilm America unless specifically agreed to in writing by Scilm America. The invalidity or unenforceability, in whole or in part, of any provision herein shall not affect the validity or enforceability of any other provision herein. Failure or delay on the part of Scilm America to exercise any right, power, privilege or remedy herein shall not constitute a waiver hereof. The section headings contained herein are for convenience of reference only and are not to be used in the construction or interpretation of these Terms and Conditions. All words used herein shall be construed to be of such gender and number as the circumstances require.
