Re: Review of Proposed Charter for the Town of Limerick

Dear Chair McLean:

I am an attorney admitted to the Maine Bar and have served as the Town Attorney for many years. Please accept this as my formal opinion pursuant to 30-A M.R.S. § 2103(5)(D)(4) that the proposed Town Charter drafted by the Charter Commission does not contain any provision prohibited by the United States Constitution, the Constitution of the State of Maine or the general laws.

Sincerely,

Natalie L. Burns, Town Attorney
