

APPENDIX B: PRESENTATIONS

Presented by the following sections: In-Person Courses, Webinars and Podcast education in reverse chronological order.

715 presentations:

394 In-Person Courses, including International, National, and local courses

332 webinars, podcasts

In-Person Courses:

2022

October 2022 Positioning Kids
Bringing New Technology to Power Wheelchair Assessment and Training
Canadian Seating and Mobility Conference
Toronto, Canada

October 2022 Positioning Kids
Pediatric Power Mobility
Secondary Supports
Dynamic Seating
Alpine Rehab Conference
Salt Lake City, UT

August 2022 Positioning the Pelvis
Positioning the Head
Positioning Kids
Columbus, OH

February 2022` Smart Wheelchairs (with Jean Minkel)
Dynamic Seating (with Missy Ball and Mary Shea)
International Seating Symposium (**virtual**)

2021

Nov 2021 Positioning for Function
ACTNow
Action Seating / Stealth Products
Tulsa, OK

Oct 2021 Dynamic Seating
New Mexico Mobility and Positioning conference (**virtual**)
New Mexico

Oct 2021 Head School
Let's Get Real: using Virtual Reality for Power Wheelchair Assessment and
Training (with Wade Lucas)
Alpine Rehab
Salt Lake City, UT

Sept 2021 Power Mobility: Alternative Driving Methods

	Alliance Rehab & Medical / Stealth Products Springfield, MO St. Louis, MO
Sept 2021	Power Mobility: Alternative Driving Methods Miller's Annual Conference Akron, OH
August 2021	Positioning and Access for SLPs The AAC Speech Clinic Las Vegas, NV
July 2021	Judging Smart (with Jean Minkel and Jered Dean) (virtual) RESNA
June 2021	Mobility: Dependent vs. Independent. What are the Clinical Indicators? Numotion Nufair (virtual)
May 2021	Wheelchair Positioning (virtual) Local Inservice
March 2021	Course update recordings HomeCEUConnection
Feb 2021	Switched-On Students – virtual Infinitec
January 2021	Power Mobility series recordings MedBridge
<u>2020</u>	
Oct 2020	Slip Sliding Away: positioning the pelvis Supporting the Primary Support Surfaces – appropriate use of secondary supports Pediatric Power Mobility Assessment and Driving Training Tools Alpine Rehab Conference / Stealth Products virtual due to COVID 19
April 2020	Dynamic Seating How do I know a child is ready for power mobility? Switch Assessment TIES Conference Salem, OR virtual due to COVID 19
March 2020	A New RESNA Position Paper on Dynamic Seating International Seating Symposium Vancouver, BC

Feb 2020	Slip Sliding Away – Positioning the Pelvis Sit Up Straight – Positioning the Trunk Positioning Kids Travis Medical / Stealth Products Georgetown, TX
<u>2019</u>	
November 2019	Power Mobility: Alternative Driving Methods Stealth Products Columbia, MO
November 2019	Pediatric Power Mobility Alternative Driving Methods Clarkson University Potsdam, NY
November 2019	Dynamic Seating Action Seating and Mobility, Seating Dynamics Tulsa, OK
October 2019	Positioning Kids Heads Up! Beyond the Joystick: Alternative Driving Methods Numotion, Stealth Products Dallas, TX
September 2019	Positioning Kids Heads Up! Beyond the Joystick Numotion, Stealth Products Chicago, IL
August 2019	Supporting the Primary Support Surfaces - appropriate use of secondary supports Custom Seating Reimagined! Numotion, Stealth Products Atlanta, GA
August 2019	Pediatric Power Mobility Fletcher Miller School, Stealth Products Lakewood, CO
April 2019	Using Virtual Reality to Reimagine the Assessment Process Canadian Seating and Mobility Conference Toronto, Ontario
April 2019	Heads Up! Strategies to Position the Head Beyond the Joystick: Alternative Driving Methods

	Numotion, Stealth Products Toledo, OH
March 2019	Dynamic Seating - exploring theory, research, and products Pediatric Power Wheelchair Assessment and Training 3 Ways to Keep Your Client's Head Up! Using Virtual Reality to Reimagine the Assessment Process International Seating Symposium Pittsburgh, PA
February 2019	Wheelchair Seating and Secondary Supports Power Mobility: Alternative Driving Methods 3 Ways to Keep Your Client's Head Up Travis Medical, Stealth Products Georgetown, TX
<u>2018</u>	
December 2018	Positioning the Head National Seating and Mobility, Stealth Products Peoria, IL
November 2018	Early Intervention with AAC ASHA Boston, MA
November 2018	Positioning the Head Pediatric Power Mobility WI Schools, Stealth Products Wisconsin Dells, WI
October 2018	Pediatric Power Mobility Region 4, Stealth Products Houston, TX
September 2018	Positioning the Head Secondary Supports Pediatric Power Mobility Numotion, Stealth Products St. Louis, MO
August 2018	Positioning the Head Secondary Supports Power Wheelchair Alternative Driving Methods Travis Medical, Stealth Products Corpus Christ, TX Victoria, TX
July 2018	Positioning and Mobility for Complex Clients (pre-conference)

	Seating and Wheeled Mobility: a new resource RESNA Arlington, VA
June 2018	Positioning the Head Switch Assessment TX AT Network conference Houston, TX
May 2018	Secondary Supports Positioning the Head Wheelchair Backs Numotion, Stealth Products Philadelphia, PA
April 2018	Positioning for Function Positioning the Head Switch Assessment Pediatric Power Mobility TIES conference Eugene, OR
April 2018	EADLs and Switch Assessment Lifescape Sioux Falls, SD
March 2018	Dynamic Seating (pre-conference) Power Wheelchair Alternative Driving Methods (pre-conference) International Seating Symposium Vancouver, BC
February 2018	Dynamic Seating Travis Medical, Seating Dynamics Georgetown, TX
February 2018	Positioning the Head Dynamic Seating Wheelchairs and Speech Generating Devices National Seating and Mobility Oklahoma City, OK
<u>2017</u>	
Dec 2017	Positioning, Mobility, and Switch Access in the School Setting Harris Department of Education Houston, TX
Nov 2017	Dynamic Seating NuFair, Seating Dynamics

	Portland, OR Seattle, WA
Nov 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Mobility: Alternative Driving Methods Great American Mobility, Stealth Products Houston, TX
Oct 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Boston, MA
Sept 2017	3 Ways to Keep Your Client's Head Up Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? Numotion, Stealth Products Ft. Wayne, IN
Aug 2017	3 Ways to Keep Your Client's Head Up Power Wheelchair Driving Methods for Your Toughest Clients Alliance Rehab, Stealth Products Branson, MO
July 2017	Power Mobility: Alternative Driving Methods Stealth Products Nashville, TN
July 2017	Wheelchair Seating and Secondary Supports: are we promoting function or tying the client down? NuFair, Stealth Products Atlanta, GA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Riverside, CA
May 2017	Power Wheelchair Driving Methods for Your Toughest Clients NuFair, Stealth Products Philadelphia, PA
May 2017	Power Mobility: Alternative Driving Methods Stealth Products Baltimore, MD

May 2017	Alternative Driving Methods: What's New? Canadian Seating and Mobility Conference Toronto, Canada
March 2017	Dynamic Seating NuFair, Seating Dynamics Salisbury, MD
March 2017	Positioning the Head Dynamic Seating (pre-conference session) International Seating Symposium Nashville, TN
Feb 2017	Power Mobility: Alternative Driving Methods Stealth Products Houston, TX
Feb 2017	Positioning for Function Numotion, Stealth Products Houston, TX
<u>2016</u>	
Dec 2016	Switch Assessment Infinitec Wichita, KS
Nov 2016	Pediatric Seating NuFair, Stealth Products Dallas, TX
Nov 2016	Positioning for Function TIRR, Stealth Products Houston, TX
Nov 2016	Pediatric Power Mobility Numotion, Stealth Products Seattle, WA Portland, OR
Sept 2016	Power Wheelchair Driving Methods for Clients with Increased Tone Pediatric Seating NuFair, Stealth Products Indianapolis, IN
Sept 2016	Pediatric Seating Pediatric Power Mobility Stealth Products Baltimore, MD

July 2016	Switch Assessment Green River Regional Educational Cooperative Bowling Green, KY
July 2016	Power Wheelchair Driving Methods Positioning the Head RESNA Arlington, VA
June 2016	Dynamic Seating Head Positioning Sleep Positioning Numotion Philadelphia, PA
June 2016	Positioning for Function Stealth Products Duluth, MN
March 2016	Power Wheelchair Driving Methods for Clients with Muscle Weakness International Seating Symposium Vancouver, BC
Jan 2016	Positioning for Function Stealth Products Sioux Falls, SD
Jan 2016	Switch Assessment Infinitec Palatine, IL Tinley Park, IL
<u>2015</u>	
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Seattle, WA
Nov 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Portland, OR

Nov 2015	Positioning the Head NuFair Stealth Products Dallas, TX
Oct 2015	Advanced Seating and Mobility (2 day course) RESNA/MedTrade Atlanta, GA
Oct 2015	Power Wheelchair Alternative Driving Methods: what's new? MedTrade Stealth Products Atlanta, GA
Oct 2015	Advanced Seating and Mobility (2 day course) Rusk Rehab Columbia, MO
Oct 2015	Alternative Drives, Dynamic Seating, Positioning the Head and Pediatric Seating Numotion Springfield, MO
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone Closing the Gap Stealth Products Bloomington, MN
Oct 2015	Positioning the Head Power Mobility: Alternative Driving Methods for Clients with Increased Muscle Tone NuFair Stealth Products Long Beach, CA
Oct 2015	Alternative Drive Controls Long Beach VA Stealth Products Long Beach, CA
Sept 2015	Alternative Drive Controls NuFair Stealth Products Lansing, MI
Sept 2015	Alternative Drive Controls Good Shepherd

	Stealth Products Allentown, PA
Sept 2015	Fundamentals Course Palo Alto VA RESNA Palo Alto, CA
Sept 2015	Positioning for Function Stealth Products Temecula, CA
Sept 2015	Positioning for Function San Diego School District Stealth Products San Diego, CA
Aug 2015	Alternative Drive Controls Rancho Los Amigos Stealth Products Downey, CA
Aug 2015	Alternative Drive Controls Positioning for Function Stealth Products/Big Sky AMES Anaconda, MT
July 2015	Power Wheelchair Assessment Numotion Tampa, FL
July 2015	Building Consensus National Seating and Mobility annual symposium Nashville, TN
June 2015	Switch Assessment Basic EADLs RESNA Annual Conference Denver, CO
June 2015	Switch Assessment and Mounting Positioning for Access TATN Dallas, TX
May 2015	Positioning the Head Alternative Drives for Clients with Increased Muscle Tone Stealth Products

	NuFair Spokane, WA
April 2015	Alternative Drives Stealth Products Waco, TX
March 2015	Power Wheelchair Assessment and Access Numotion Cape Girardeau, MO
March 2015	Power Wheelchair Assessment and Access Numotion St. Louis, MO
Feb 2015	Power Mobility: Alternative Drive Controls Controlling Speech Generating Devices through a Power Wheelchair International Seating Symposium Nashville, TN
Feb 2015	Positioning the Head Alternative Drive Controls for Clients with Increased Muscle Tone Stealth Products/Travis Medical Round Rock, TX
Feb 2015	Switch Assessment United Cerebral Palsy Chicago, IL
Jan 2015	Positioning for Function Stealth Products NuFair Seattle, WA
Jan 2015	Positioning for Function Stealth Products NuFair Portland, OR
<u>2014</u>	
Oct 2014	Advanced Seating and Mobility RESNA Atlanta, GA
Oct 2014	Fundamentals in Assistive Technology RESNA Phoenix, AZ

Sept 2014	Fundamentals in Assistive Technology RESNA Boston, MA
Aug 2014	Alternative Drive Controls Stealth Branson, MO
July 2014	Beyond the Basics Numotion Atlanta, GA
June 2014	Power Wheelchair Assessment Instructional Course Switch Assessment workshop RESNA Indianapolis, IN
May 2014	Fundamentals in Assistive Technology RESNA Newark, NJ
April 2014	Switch Assessment and EADLs Owensboro and Eddyville, KY
April 2014	Advanced Seating and Mobility RESNA Orlando, FL
March 2014	Pediatric Seating and Mobility Ft. Mitchell, KY
March 2014	Positioning for Function Stealth Products Portland, OR
March 2014	Alternative Access Methods Numotion/Stealth Products Phoenix, AZ
Jan 2014	Keynote at Annual Meeting Rehab Medical Indianapolis, IN
<u>2013</u>	
Nov 2013	Restraints vs. Secondary Supports Bodypoint Seattle, WA and Portland, OR

Oct 2013	Advanced Seating and Mobility 2 day course RESNA Atlanta, GA
Oct 2013	Pediatric Power Mobility Cook Children's Hospital Ft. Worth, TX
Oct 2013	Positioning for Function Stealth Products Morgantown, WV
Sept 2013	Power Wheelchairs: Advanced Applications Miller's Akron, OH
Sept 2013	Fundamentals in Assistive Technology RESNA Jackson, MI
Sept 2013	Positioning for Function Stealth Products McAllen, TX
July 2013	Positioning for Function Stealth Products Round Rock, TX
June 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
June 2013	Augmentative Communication: access, mounting and interfacing (full day) SWAAAC Summer Symposium Denver, CO
April 2013	Positioning for Function Stealth Products St. Louis, Springfield, MO
April 2013	Positioning for Function Stealth Products Los Angeles, San Diego, CA
March 2013	Positioning for Function Stealth Products Missoula, MT

March 2013	Pediatric Power Mobility Abilities Expo Los Angeles, CA
March 2013	Advanced Power Wheelchair Applications Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking International Seating Symposium Nashville, TN
Feb 2013	Positioning and Mobility Guest Lecture, Occupational Therapy Class Colorado State University, CO
Feb 2013	Positioning Assessment NuMotion Annual Conference Las Vegas, NV
Feb 2013	Positioning for Function Stealth Products Birmingham, AL; Atlanta, GA
<u>2012</u>	
Nov 2012	Positioning for Function Stealth Products Tampa, Orlando, Miami, FL
Oct 2012	Switch Assessment Putting the Pieces Together Closing the Gap Minneapolis, MN
Sept 2012	Fundamentals in Assistive Technology Course RESNA Ft. Worth, TX
Aug 2012	Positioning for Function Rehab Rally Chicago, IL
Aug 2012	Power Wheelchairs: Advanced Applications ATG Rehab Bethany, OK
August 2012	Switch Assessment, Electronic Aids to Daily Living and AAC Mounting Dallas, TX
July 2012	Positioning for Function Stealth

Lafayette, CO

- June 2012 Switch Assessment for Type and Location and Switch Mounting
Using Power Wheelchairs to Access the Computer and Speech Generating
Devices
Texas AT Network Statewide Conference
Houston, TX
- June 2012 Fundamentals in Assistive Technology Course
Power Wheelchair Assessment Instructional Course
A New Position Paper: Application of Wheelchairs, Seating Systems and
Secondary Support for Positioning vs. Restraints workshop
Staying on Track – Evaluating the Efficacy of Power Wheelchair Tracking
Technology in Switch Driving workshop
RESNA
Baltimore, MD
- May 2012 Pediatric Power Mobility
ATG Rehab
Hartford, CT
- May 2012 Power Wheelchairs: Advanced Applications
ATG Rehab
Boston, MA
- April 2012 Electronics Aids to Daily Living with Young Children and in the Classroom
HomeCEUConnection.com
- 2011
- Oct 2011 Pediatric Power Mobility
ATG Rehab
Santa Clara, San Mateo, Salinas, CA
- Oct 2011 Power Wheelchair Assessment
Switch Assessment
EADLs (2 day course)
Center for Discovery
Harris, NY
- Sept 2011 Access to Mobility and Assistive Technology in the Classroom Setting: Practical
Applications
AbleNet
Austin, TX
- July 2011 Enhancing Functional Outcomes through Seating and Positioning
Rehab Rally Conference and Expo
Orlando, FL

April 2011	Pediatric Power Mobility Navigating the Care of the Medically Fragile Child Boston, MA
April 2011	Alternative Access Methods for Power Wheelchairs MedGroup Las Vegas, NV
March 2011	Power Mobility Assessment ATG Rehab Philadelphia, PA
March 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet King of Prussia, PA
March 2011	Power Wheelchair Assessment International Seating Symposium Nashville, TN
Feb 2011	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Dallas and Houston, Texas
<u>2010</u>	
Nov 2010	RESNA Fundamentals in Assistive Technology Course MedTrade Atlanta, GA
Nov 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Ft Lauderdale, Gainesville and Tallahassee, FL
Sept 2010	Seating for Function ATG Rehab Colorado Springs, CO
August 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Tampa, FL
June 2010	This Isn't Your Grandma's Power Chair ATG Rehab Denver, CO

May 2010	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications Ablenet Orlando, FL
April 2010	Pediatric Power Mobility ATG Rehab Loveland, CO
April 2010	Seating for Function ATG Rehab Memorial Hospital Colorado Springs, CO
March 2010	Power Mobility Assessment Pride Mobility Nashville, TN
March 2010	Seating for Function New Mexico Annual Technology Conference Albuquerque, NM
Feb 2010	Using Power Wheelchair Electronics to Access Speech Generating Devices and Computers Mounting Assistive Technology Devices to Wheelchairs Lakeview School Edison, NJ
Jan 2010	Pediatric Seating and Mobility Therapeutic Services New York, NY
<u>2009</u>	
Oct 2009	Seating for Function ATG Rehab Rocky Hill, CT
Aug 2009	Fundamentals in Assistive Technology Course RESNA Anchorage, AK
June 2009	Pediatric Power Mobility RESNA New Orleans, LA
May 2009	Med Group Conference Switch Assessment

	Denver, CO
May 2009	New power wheelchair electronics Canadian Seating and Mobility Conference Toronto, Canada
May 2009	Seating Mobility New Mexico Annual Technology conference Santa Fe, NM
April 2009	Ablenet Assistive Technology in the Classroom LA County School District Los Angeles, CA
March 2009	New Power Wheelchair Electronics International Seating Symposium Orlando, FL
Feb 2009	New power wheelchair electronics: clinical applications United Seating and Mobility Annual Sales Meeting Tucson, AZ
<u>2008</u>	
Dec 2008	Power wheelchair electronics Internal Staff Training Quantum Rehab PA
Nov 2008	Pediatric Wheelchair Seating (full day course) Mayo Clinic Rochester, MN
Oct 2008	Location, Location, Location! Determining the Best Switch Location and Type for Access to Assistive Technology Tom and Jerry: Using the Power Wheelchair to Control the Computer Mouse Closing the Gap Minneapolis, MN
Oct 2008	Electronic Aids to Daily Living Occupational Therapy Association of Colorado Northglenn, CO
June 2008	New Power Wheelchair Electronics Pediatric Powered Mobility Position Paper RESNA

	Washington, DC
June 2008	AT Applications for Challenging Individuals Collaborative Assistive Technology Conference of the Rockies Denver, CO
April 2008	Access to Mobility and Assistive Technology in the Classroom Setting: practical applications (with Ginny Paleg) (4 days) Ablenet/Otto Bock New York, NY
April 2008	Introduction to Assistive Technology Lecture Occupational Therapy Department, Colorado State University Ft. Collins, CO
March 2008	Interfacing Abilities Expo Edison, NJ
Feb 2008	Switch Assessment Colorado Department of Education Motor Conference Denver, CO
Jan 2008	Pediatric Power Mobility Assistive Technology Group El Monte, Riverside, Santa Ana, Ventura, CA
<u>2007</u>	
Nov 2007	Pediatric Power Mobility Assistive Technology Group Lakewood, CO
Oct 2007	Pediatric Power Mobility Assistive Technology Group Hartford, Westport, CT Worcester, Raynham, MA
Sept 2007	Pediatric Power Mobility Assistive Technology Group Sacramento, Stockton, Palo Alto, Salinas, CA
July 2007	Pediatric Power Mobility Omaha, NE
June 2007	A Comprehensive Approach to Assistive Technology for Persons with ALS Auditory - Visual Scanning: What Is It? How Do We Teach It?

	Collaborative Assistive Technology Conference of the Rockies Denver, CO
May 2007	Review Course for ATS/ATP Credential University of Pittsburgh Alexandria, LA
April 2007	Fundamentals in Assistive Technology Course (4 days) RESNA Singapore
March 2007	Pediatric Seating and Positioning New power wheelchair electronics RESNA Position Papers International Seating Symposium Orlando, FL
Feb 2007	Review Course for ATS/ATP Credential University of Pittsburgh Denver, CO
<u>2006</u>	
Oct 2006	Switch Assessment: Determining Type and Location Wheelchair Mounting Systems for Communication Devices and Computers Canadian Seating and Mobility Conference Toronto, Canada
Oct 2006	Complex Client: Power Mobility Needs Sunrise Medical Denver, CO
Sept 2006	Switch Assessment EADLs Johnston, IA
Aug 2006	Complex Client: Power Mobility Needs Sunrise Medical Pittsburgh, PA
June 2006	Switch Assessment RESNA Annual Conference Atlanta, GE
June 2006	Switch Apprentice: Power Mobility and EADLs The Collaborative Assistive Technology Conference of the Rockies Denver, CO
April 2006	Advanced Applications in Power Mobility

National Seating and Mobility Seating Symposium
Scottsdale, AZ

March 2006 Power Mobility: Connecting Clinical Needs to Assistive Technology
What's New in Power?
Sunrise Medical
Houston, TX

March 2006 Increasing Independence across the Ages
CSUN
Los Angeles, CA

2005

August 2005 Advanced Clinical Education for the RTS
NRRTS 2005 Educational Conference
St. Louis, MO

April 2005 Interfacing Assistive Technology with Power Wheelchairs
New Mexico Technology Assistance Program
Annual Conference
Albuquerque, NM

March 2005 Electronic Aids to Daily Living: providing independent control of devices in the
environment
CSUN annual conference
Northridge, CA

Jan 2005 Power Wheelchair Access Evaluation and Programming
Interfacing Assistive Technology and Power Wheelchairs
International Seating Symposium
Orlando, FL

2004

Nov 2004 Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Las Cruces, NM

Oct 2004 Wheelchair Evaluation Training
New Mexico Technology Assistance Program
Albuquerque, NM

June 2004 Assistive Technology and Motor Access
Positioning, Mobility and Computer Access
The Collaborative Assistive Technology Conference of the Rockies
Denver, CO

June 2004 Interfacing Assistive Technology with Power Wheelchairs
RESNA annual conference

Orlando, FL

March 2004
Electronic Aids for Daily Living
Technological Life Resources: More than Machinery
Grand Rapids, MI

2003

Oct 2003
Basic EADLs
Closing the Gap
Minneapolis, MN

Oct 2003
Fundamentals in Assistive Technology Course
MedTrade
Atlanta, GE

June 2003
24 Hour Postural Management: Positioning in Sleep
Fundamentals of the Medical Model: Applications of Assistive Technology for
Different Diagnoses
Annual SWAAAC Conference
Winter Park, CO

June 2003
Electronic Aids to Daily Living: What's in a Name?
RESNA
Atlanta, GE

2002

Nov 2002
Power Mobility access
Achieving New Heights with Assistive Technology
Aurora, CO

Oct 2002
Fundamentals in Assistive Technology Course
MedTrade
Atlanta, GE

Oct 2002
Switch Access & Assessment
Closing the Gap
Minneapolis, MN

Sept 2002
Switch Access & Mobility Assessment
Wichita, KS

Aug 2002
Electronic Aids to Daily Living
Switch Access & Assessment
Pediatric Assistive Technology & Rehab Symposium
Richmond, VA

June 2002
Switch Access and Assessment
The Interfacing of AT and Power Wheelchairs: Exploring Advances in Electronics

RESNA annual conference
Minneapolis, MN

June 2002 Switch Access and Assessment
Interfacing Power Wheelchairs and Assistive Technology Devices
SWAAAC annual conference
Winter Park, CO

2001

Oct 2001 Electronic Aids to Daily Living
Achieving New Heights with Assistive Technology
Aurora, CO

Oct 2001 Assistive Technology Training
Switches and Assessment
Augmentative Communication Devices: Access
Interfacing Assistive Technology with Power Wheelchairs
New York Board of Education
Brooklyn, NY

Sept 2001 Switches: Assessment for Type and Location
Seating People with Acquired Brain Injuries
Canadian Seating and Mobility Conference
Toronto, Ontario

Sept 2001 Training Pre-Mobility and Mobility Skills for Kids in Power Wheelchairs
Interfacing Assistive Technology Devices with Power Wheelchairs
Switch Access Assessment for Type and Placement of the Switch
Heartland Conference
Waterloo, IA

June 2001 Interfacing Assistive Technology with Power Wheelchairs
Pre-conference session
RESNA
Reno, NV

June 2001 Positioning: the basis for accessing assistive technology
SWAAAC annual conference
Breckenridge, CO

April 2001 RESNA Fundamentals in Assistive Technology Course
Boise, ID

April 2001 Positioning, Mobility Access and Interfacing
Power Up!
Columbia, MO

March 2001 Electronic Aids to Daily Living Keynote address

Switches and Assessment
Grand Junction, CO

2000

Nov 2000

Tone and Technology
Building Bridges with Assistive Technology
Aurora, CO

Oct 2000

Wheelchair Positioning
Power Wheelchair Access Methods
Power Wheelchair Interfacing
2 day course
Missoula, MT

Sept 2000

Advanced Mobility
Advanced Interfacing
2 day course
The Heartland Conference
Topeka, KS

June 2000

Switch Assessment: Type and Location
2000 SWAAAC Conference
Breckenridge, CO

April 2000

New Solutions in Seating and Mobility
Updates on Cerebral Palsy Treatment
Denver, CO

April 2000

Electronic Aids to Daily Living: an Overview
Seating Strategies
American Occupational Therapy Association Annual Conference
Seattle, WA

1999

Nov 1999

Wheelchair Mounting Systems for Communication Devices
Mission Possible: Building Bridges with Assistive Technology
Denver, CO

Nov 1999

Positioning and Mobility: an Overview
AOTA SIS Practice Conference
Reno, NV

Oct 1999

Positioning, Mobility and Interfacing Assistive Technology
Preconference workshop
Closing the Gap
Minneapolis, MN

Oct 1999

An Overview: Electronic Aids to Daily Living

Electronic Aids to Daily Living for Children
ATIA World Conference
Orlando, FL

Sept1999 RESNA Fundamentals in Assistive Technology Course
Toronto, Ontario, Canada

June 1999 Electronic Aids to Daily Living Lab
RESNA
Long Beach, CA

May 1999 Assistive Technology Course
Grafton, ND

April 1999 Electronic Aids to Daily Living Lab
Assistive Technology Lab
American Occupational Therapy Association annual conference
Indianapolis, IN

April 1999 RESNA Fundamentals in Assistive Technology Course
Banff, Alberta Canada

March 1999 The Baclofen Pump and Positioning
Botox Injection: A Case Study
Interfacing Assistive Technology with Power Wheelchairs
International Seating Symposium
Orlando, FL

1998

Oct 1998 Principles of Wheelchair Seating
University of Iowa
Iowa City, IO

Sept 1998 Introduction to Electronic Aids to Daily Living
Interfacing with Power Wheelchairs
Canadian Seating and Mobility Conference
Toronto, Ontario

June 1998 Environmental Control Lab
RESNA
Minneapolis, MN

May 1998 Interfacing Assistive Technology to Power Wheelchairs
Mounting Switches and Communication Devices to Wheelchairs
Colorado Assistive Technology Project annual conference
Denver, CO

April 1998 Another Way to Do It...Environmental Control Units

The Interagency Project for Assistive Technology
Fargo, ND

1997

- Nov 1997 Introduction to Assistive Technology for Children with Special Needs
Teleconference for the Health Care Program for Children with Special Needs
Denver, CO
- Oct1997 Environmental Controls: Comprehensive Review of Available Systems
Full-day instructional course
Elkgrove, IL
- Aug 1997 Environmental Controls: Comprehensive Review of Available Systems
Environmental Controls for Children
Keys to Independence...Assistive Technology for All Generations Conference
Jamestown, ND
- June 1997 Seating the Challenging Client
Powered Mobility Access Methods
RESNA
Pittsburgh, PA
- May 1997 The Assistive Technology Assessment Process: Who, What, Where, Why and How
An Introduction to Power Mobility
An Introduction to Positioning
Environmental Controls for Children
Access Options for Quadriplegia
Mission Possible! Colorado Assistive Technology Project
Denver, CO

1995

- Oct 1995 Intervening Early with Assistive Technology: Practical solutions to foster
functional abilities
Environmental Controls: Sorting Through Those Devices
Closing the Gap
Minneapolis, MN
- Sept1995 Environmental Control Units and Occupational Therapy
Occupational Therapy Association of Colorado annual conference
Denver, CO
- July 1995 Assessment in Augmentative and Alternative Communication
Class at the University of Colorado.
Boulder, CO
- April 1995 The IntelliKeys Alternative Computer Keyboard and Software
Environmental Control Systems
Assistive Technology Lab

The American Occupational Therapy Association
Denver, CO

1994

Sept 1994

Early Identification of Assistive Technology Needs
Current Trends in Assessment.
Colorado Speech and Hearing Association state conference.
Denver, CO

July 1994

Access to Technology
Assessment in Augmentative and Alternative Communication
Guest lecture
Boulder, CO

1992

June 1992

Assistive Technology Clinics
RESNA annual conference
Toronto, Canada

1991

Sept 1991

The Basics of Positioning and Mobility
Annual Colorado Assistive Technology Project Conference
Denver, CO

March 1991

Promoting Choice in the Selection of Assistive Technology Devices
California State University at Northridge annual conference
Northridge, CA

1990

May 1990

Toys and Computers: Enhancing Children's Play
ABC Conference/Early Childhood Collaborative Conference
Westminster, CO

April 1990

Available Environmental Control Systems and Choosing the Right One
Unlocking the Environment through Assistive Technology
Annual Assistive Technology Conference
Northglenn, CO

1989

Jan 1989

Guest lecture for University of Southern California Occupational Therapist
graduate class
Overview of rehabilitation technology
Los Angeles, CA

1988

Nov 1988

Computer Access for Orthopedically Disabled Persons - an overview of adaptive
hardware
Occupational Therapy Association of California's annual conference

	Irvine, CA
Nov 1988	Computer Access Evaluation for Orthopedically Disabled Persons Computer Technology/Special Education /Rehabilitation Conference Northridge, CA
Sept 1988	Environmental Control Units - Evaluation and overview of available systems California Children Services El Monte, CA
Sept 1988	Funding of Technology for Individuals Computer Access Center Santa Monica, CA
July 1988	Toys and adaptations: what's available Technology for Tots/Junior Foundation for the Blind Los Angeles, CA
<u>1987</u>	
Dec 1987	Microcomputer Access Evaluation California Children Services Sierra Madre, CA
March 1987	Adaptive Microcomputer Access Byron E. Thompson Orthopedically Handicapped School El Monte, CA
