Town of Limerick
55 Washington Street
Limerick, ME 04048

Limerick Maine Brick Town Hall Accessibility Policy

1st Floor.

Apart from minor deficiencies as identified by the DOJ the first floor is currently accessible.

The Town is currently under an agreement with the DOJ to have these repairs completed in the early spring of 2023.

No Town sponsored programs or services will be held on the first floor until the accessibility issues have been corrected.

The usage of the first floor is limited to private functions, as requested by Limerick Taxpayers and outside organizations, with a capacity limit of 49 persons.

2nd Floor.

As no Town sponsored programs or services are currently being conducted on the first floor, the 2nd floor should have no usage at this time. The 2nd floor will not be made available to any private parties or outside organizations. Once the capacity limit of 49 has been removed and the exterior accessibility issues resolved, the 2nd floor will be used for overflow only if the new capacity limits require additional space. Adequate seating shall be provided on the 1st floor for all persons requiring accessibility seating.

3rd Floor.

No Town sponsored programs or services are to be held on the 3rd floor.
This area specifically designated for use by the Masons.

Adopted this 19th day of December 2022 by the Limerick Selectboard:

John Medici, Chair

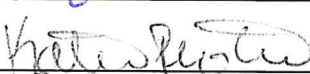

Wade Andrews

Ron Smith

Katherine Proctor

Gil Harris
