How the Tax Reform Bill Will Affect the Investor

April 17, 2018 ♦ Hilton Garden Inn ♦ Staten Island

Join Us for an Informational Seminar

Now is the time to start thinking about how the new **Tax Reform Bill** will affect **you** as an investor so that you can plan ahead for its impact and maximize changes you may be seeing already in your paycheck. This bill affects virtually everyone, however, families, homeowners, residents of high-tax states including New York, the medically uninsured and small businesses will be especially affected.

Assuring a secure financial future as well as keeping to financial goals is critical and this seminar will outline practical steps to take.
