MISSIONARIES TO HONDURAS

April 2021

New Testaments Arrive

Just a few days prior to Easter Sunday we received a shipment of New Testaments that had been donated by churches and individuals across the United States. We are so excited to have received 961 boxes of Special Edition New Testaments! Each Bible comes with a full Gospel tract

printed inside to guide the reader to a saving knowledge of Christ. Following the Gospel explanation there are 22 discipleship lessons that can be completed with the same New Testament! We have had the privilege of distributing on average 1,600 boxes of New Testaments per year since 2015! Approximately 700,000 Scriptures have been given to those needing a Savior!

Local Authorities Continue to Share the Gospel

Our local police and military are continuing to help us during the pandemic. One local officer was interviewed on the national news about why the police were distributing the Scriptures. They said that the Scriptures are the only way to find life and that faith in Christ was necessary to change the direction of Honduras!

Prayer Requests and Praises:

1. Pray for the many saved during the past few months.
2. Pray for an increase in the students attending the Bible Institute.
3. Please pray for those who lost family members to the virus. We have seen one pastor's wife pass away due to the virus.
4. Pray for the works in Danli, Los Robles, El Paraiso, Ojojona, El Ocomupe, San Matias, and La Esperanza
5. Pray for the United States phase in the adoption of the twins.

Thank you for your prayers,

Jason, Cassy, Audrey, Jordan, Joey, Matthew, Alejandro, and Marjorie
