Dear Padre,

How do I respect my young teenager's privacy in using social media without compromising parental protection?

There are more Facebook accounts than Catholics worldwide, reports the US Conference of Catholic Bishops (usccb.org/about/communications/social-media-guidelines.cfm). Social media—blogs, social networks, text messaging, and more—is the fastest-growing form of communication in the United States, particularly among youth and young adults. How can we take charge of it rather than let it control us?

While both adults and children need to protect themselves from their own thoughtless impulses in posting opinions and photographs online that may affect their reputations and careers, children need added protection from online predators. It's advisable for parents to set parameters with their children and convey the idea that technology use is a privilege, not a right. If parents intend to follow their kids on social media or monitor their phone, texting, and internet activity, transparency is better than spying and snooping. This helps prevent violating the privacy that young people desire and the trust needed between parents and their children. It's also prudent for parents to communicate the dangers of today's digital world and be vigilant in detecting warning signs exhibited by their children. These include changes in a child's personality and behavior, attempts to conceal their use of computers and handheld devices, and a decline in academic performance.

"Social media can be powerful tools for strengthening community, although social media interaction should not be viewed as a substitute for face-to-face gatherings," wrote the US Bishops. This applies to essential family interaction as well.

A Word from Pope Francis

Emails, text messages, social networks, and chats can also be fully human forms of communication....Social networks can facilitate relationships and promote the good of society, but they can also lead to further polarization and division between individuals and groups. The digital world is a public square...where we can either encourage or demean one another. —Fiftieth World Communications Day, January 24, 2016

MUSIC MINISTRIES

At Ascension of our Lord Parish, we are gifted with a music ministry of choirs, cantors, and instrumentalists, whose primary goal is to support the active participation of the assembly. Music ministers give of their talent and time to support the assembly in its worship.

Don't waste another year thinking: "I really should do something." **Just do it! JOIN NOW!**

Choir (open to teen through adult)

The choir serves the parish as music ministers for primarily the 10:00a.m. Sunday Mass as well as special liturgies such as Thanksgiving, Christmas, and Easter. The choral group supports and enhances the assembly's song and sings in a variety of musical styles. Rehearsals are held in Corpus Christi Hall on Wednesday evenings from 7:00 – 8:00p.m. Join us for some music and fellowship! Our first rehearsal is September 18th.

Contemporary Group (welcomes all ages)

The Contemporary Group serves the parish as music ministers once a month at the 4:00p.m. Saturday Mass. A variety of styles of music are sung with a more updated sound combining several instruments and singers. We are seeking an additional bass player, guitarist, and string or woodwind player. Rehearsals are at 3:00p.m for the 4:00p.m. Mass on that day.

Instrumentalists

All instruments can be used to embellish the music at liturgy. Clarinet, flute, guitar, trumpet, bass, percussion, strings, and any other instrument can add additional color and enhance the environment for worship. If you play an instrument, please know that you can share your gifts in a unique way. You must be accomplished enough to learn the music on your own. Rehearsals are arranged on an individual basis.

Please consider sharing your talents with us at Ascension of Our Lord Parish. **WE NEED YOU!**

For more information, please contact our Music Director, Darlene Crilly, at dcrilly@ascensionofourlord.net. or call the parish office at 630-629-5810, ext. 214.

TOOTSIE ROLL DRIVE COLLECTIONS FOR KNIGHTS

The Knights of Ascension will be collecting after all masses next weekend to help the Mentally Challenged in our area. Working with the Christ the King Council, the Knights will be passing out Tootsie Rolls in exchange for donations after masses **September 21 and 22.** All funds go to organizations in the local neighborhoods.

In the past few years donations of approximately \$10,000 have gone to NEDSRA, Marklund Homes, NAMI, Ray Graham Association, Special Olympics, Special Camps for Special People and RRAF through these collections. Each of these organizations helps those individuals who are intellectually handicapped. We hope you will aid us in our drive by contributing after masses and enjoying a Tootsie Roll.

**No donation is too small.

Come join the 2019 Public Square Rosary Crusade. The world is at a historic crossroad. God is more offended than ever as people ignore Our Lady's maternal request to "stop offending God." Yes, we must listen to Our Lady's request and stop sinning if we hope to enjoy God's blessings and to avert His wrath. He will hear us, if we pray through the intercession of His Blessed Mother. ST. VINCENT DE PAUL SOCIETY

DISASTERS NEAR AND FAR

In the last several weeks we watched as Hurricane *Dorian* rose to full strength, raged through the Bahamas and then gradually bumped its way along the Atlantic coast heading as far north as the Canadian Provinces with furious winds, flooding rains and much destruction along its path. Everyone became aware of the physical damages as well as the many human tragedies and deaths brought by that single hurricane. In its path, Dorian left homes destroyed, infrastructures devastated, and many people injured and dead. For many of these affected areas the recovery will take years to rebuild and allow time for residents to replace their losses.

The Saint Vincent de Paul Society is aiding the people suffering this disastrous event in the same way it has helped individuals in our nearby communities face personal and family hardships. Funds are being raised and directed to the areas of this country suffering the Dorian storms and to the areas of the Bahamas and Canada which were left with damages as well. Funding for this relief is normally passed from the local parish Conferences through the Diocesan SVDP Councils to the National Council to relieve the affected areas of this country and on to the International Council in Paris to assist the other nations incurring damage from this horrible hurricane disaster.

In the past we have had tornados and flooding in Illinois and nearby States that we, through you, have been able to assist directly with both volunteer manpower as well as your generous donations. We will soon fully learn the needs of those severely affected by Hurricane Dorian. Until we better know their needs and can intersperse our help keep these victims in your prayers.
