

SPRING 2002

NEWSLETTER

Hello Everyone,

Happy Spring and I hope you enjoy this newsletter.

FAN CLUB WEBSITE

The JNFC website underwent a major face-lift earlier in the year. The new format is online and I have already received positive feedback. The site is easy to navigate as well as easy to read. I will tell you that there are some big plans for the website. My goal is to give all JNFC members a site they can have fun with. Surf over to the site and provide me your opinion.

DVD NEWS

The biggest news of course is Juice's new DVD/CD release date. The DVD/CD will be released on April 2, 2002! The title is "Every Road Leads Back To You." There's never been a better time to own a DVD player. However, if you don't own a DVD player don't worry. The video is also available on VHS! One of the special features on the DVD is an interview with Juice.

The next question would be price. The DVD is \$24.99. The CD is \$17.98. The VHS format is \$19.98. These prices are quoted at the website mentioned below. You may pre-order these items as of 3/5/02 at the website below.

Should you wish to have more information on the company or Juice's project visit their website. The address is <http://www.image-entertainment.com/image/ies/control.jsp>. This is a fabulous website. They have created many videos for other recording artists and of scenic America.

QUOTABLE QUOTES

"Hello.

My name is Jody Mills. And I am a huge fan of yours. Growing up I loved to sing all of your songs and they are still some of my favorites. I think the words always have so much meaning. And the music really seems to become part of the soul. My mom and all of my family really admires you too. Good Luck to you."

Sincerely Jody

"First time I have ever written a singer. You are a very beautiful person, whom I've respected and admired your voice for many years, Just hearing some of your songs, brings back a flood of memories, only to realize how important a voice can be. I'm very grateful you have been a part of my life with your voice."

Sincerely,

D Norris

CONTEST

What better way to kick off the new DVD/CD than with a contest? This is a trivia contest. Email your answers into the fan club and all the members with correct answers will be entered into a database. Then the winner will be drawn from that database. The winner's name will be announced on video at the JNFC website. The contest will begin on April 1, 2002 and end on April 15, 2002. The grand prize is the DVD/CD "Every Road Leads Back To You!"
