NMI Updates

Faith Promise is at \$508 so far for the month of July. Let's make today a great move toward our monthly total and helping us to be the hands and feet for Christ's kingdom.

Prayers for our LINKS missionaries, Sunil and Sarah Dandge, in their work with the people of India. They are in a region which is unsafe for Christians and their information. Especially with the term "MISSIONARY". There is a lot of scanning our information in the country, hence they do not use the term "missionary".

From Sarah, "Please remember us in prayer as we begin our sabbatical in Aug 2024 for two months. We will be in Portland and Seattle area during our sabbatical and in California for a month of deputation. Pray also for our Field as we will disconnect ourselves from the daily routine and that the ministry will go on with the appointed leaders in charge." Pray also for their safety as they travel.
