Definitions:

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year. “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.

STUDENT'S RIGHT TO CANCEL

Cancellation:

STUDENT'S RIGHT TO CANCEL

Student has the RIGHT TO CANCEL and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later. Student will receive a full refund minus Registration fee. A business day means a day on which the student is scheduled to attend a class session. Cancellation shall occur when a student gives a written notice of cancellation by mail, hand-delivered or emailed. If the student has received any books, uniforms, equipment or other materials, these items must be returned to the school within 10 days following the date of notice of cancellation. If the student fails to return any books, uniforms, equipment or other materials in good condition within 10-day period, the school may deduct its cost from any refund that may be due to the student. Once the student has paid for and received any of the above, they become her/his property and the school has no further obligation in that regard. If the student cancels the agreement, MSI will refund within 30 days from the date of the notice of cancellation received any money that the student paid minus registration fee, and any deduction for any books, uniforms, equipment and other materials not returned in good condition.
