

The way we were

360

Mem'ries light the corners of my mind
Misty wáter-colored memories, of the way we were
Scattered pictures, of the smiles we left behind
Smiles we gave to one another, for the way we were

Can it be that it was all so simple then
Or as the time re-written every line?
If we had the chance to do it all again
Tell me, would we? Could we?

Mem'ries may be beautiful and yet
What's too painful to remember
We simply choose to forget

So it's a laughter, we Will remember
Whenever we remember, the way we were
The way we were
