

Dress Rehearsal

Heymann Performing Arts Center

Saturday, May 7th, 2022

- Students must be present at the Dress Rehearsal in order to participate in the revue (Exception: First Communion—if your child is making his/her First Communion on this day, please arrive as soon as you can.)
- Only parents/guardians are allowed to attend the dress rehearsal. All other spectators will need to wait until revue day to see the performances. We appreciate your cooperation.
- Dressing areas: Our oldest students will occupy the chorus rooms in the back hallway of the auditorium. Our younger students will use the restrooms to change costumes. Dressing is not allowed in the hallways, stairwells, lobby, or common areas. This will ONLY occur for Dress Rehearsal. On Revue Day, we will have use of the Boustany Convention Hall as a dressing area.
- Dress Rehearsal will run in order of performance. Sister classes will run back to back since they are in different performances (example: Adv Beginner I and Adv Beginner II). Once your dancer has rehearsed all of his/her routines, you may leave.
- Dress Rehearsal schedule is included in this packet. Please highlight all of your dancers' routines. The schedule indicates 4 different time blocks. These are approximate times. Dancers should arrive at least 30 minutes prior to the approximate time block. Make-up and hair must be done before arriving at Heymann. An early arrival is acceptable.
- Dancers in the first 5 routines should be lined up backstage by 8:45am sharp.
- Please understand that dress rehearsal will run slower than the revue. We will often have to stop for lighting, scenery, props, formation problems, etc. The Heymann crew will also have an approximate one hour lunch break around noon. Time is subject to change.
- The stage mother(s) responsible for your child's class will line up the dancers backstage 5 numbers before his/her performance. All other mothers should take their seats in the audience. Space is limited backstage!! Thanks for cooperating. When your child finishes her dance, all other moms should immediately return to the backstage area to get your child ready for his/her next routine. The stage mom is NOT a babysitter.
- Make sure all costumes and shoes are labeled. Be sure your child's costumes fit properly. All headpieces must be secure.
- Dancers should sit quietly in the auditorium in the assigned area while other classes are onstage. **NO ONE IS ALLOWED TO SIT IN THE BALCONY.** Loud talking and running will not be tolerated. Please keep your child quiet inside the auditorium while rehearsal is going on.
- Cameras and video cameras are allowed for dress rehearsal only! Videoring is prohibited on revue day.
- Food and drink is allowed in the dressing rooms, however it is not allowed in the auditorium. Please remember to be courteous and pick up your trash.
- Men are NOT allowed in the backstage dressing rooms except for male dancers.
- You may want to bring a hanging rack or a blanket for your dressing area. Tables, chairs, and mirrors are provided. There are also TV's in the dressing rooms and ballroom for viewing.
- Do not leave anything in the dressing rooms or bathrooms following dress rehearsal. DW and Heymann are not responsible for lost or misplaced items.
- As always, we are willing to assist you in any way. Please do not hesitate to ask any questions you may have.
