MISSIONARIES TO HONDURAS

April 2021

Bethlehem Baptist Seminary

This semester we were blessed to be able to send the young men away to a special welding workshop sponsored by a fellow missionary. During the week, the young men had the opportunity to witness to those who came from other parts of Honduras and saw two of the young people come to know Christ as their Savior!

Conference Center Building Update

Many of you know that the Lord has given us a large track of land just outside of Danli. Since 2015 we have hosted an International Pastors Training Week. This conference has grown over the past few years and we have been feverishly building to meet the needs of this conference. The growing number of pastors are excited to come and receive training and the resources that they are offered at the workshops. We have recently finished the construction of the kitchen and dining hall to go with the 2 large dormitories. We are currently building several small cabins to house the pastors that come from all over Central America to the conference, those training for the ministry, as well as housing for small groups that come to visit. God has miraculously provided the finances for 3 of the 7 cabins we would like to build.

Need for Cabins

The Lord has blessed with the finances for 3 cabins. Each cabin represents souls saved and pastors trained! We are asking for prayer and help for the funding of the four remaining cabins. Each cabin costs approximately \$12,000 to build.

Electrical Need

With all the new buildings going up, we will also be required to upgrade the electrical grid in our area! Local utility contractors will help us obtaining the necessary permits and equipment for \$15,000. The property is going from 3 buildings to at least 12 within the next year, as the Lord provides finances!

Prayer Requests and Praises:

1. Please pray for the finances to build the remaining cabins.
2. Please pray for this year's Pastor's Training Week in July.
3. Please pray for the 11 full time students in the Bethlehem Baptist Seminary

Thank you for your prayers,

Jason, Cassy, Audrey, Jordan, Joey, Matthew, Alejandro, and Marjorie
