Let this coming year be better than all the others. Vow to do some of the things you've always wanted to do but couldn't find the time. Call up a forgotten friend. Drop an old grudge, and replace it with some pleasant memories. Vow not to make a promise you don't think you can keep. Walk tall, and smile more. You'll look ten years younger. Don't be afraid to say, "I love you". Say it again. They are the "sweetest words" in the world.

## PATSY CLINE AT TWINING VALLEY

Patsy Cline was a gifted, passionate queen of the Nashville sound in the late 1950's to the early 1960's. She was a velvet voiced country music singer who died in a tragic plane crash at the height of her fame at the young age of 30. Diane Olson from Monroe, WI states "Patsy facts" throughout her performance, which are facts about Patsy's life and what were turning points in her career and how she became a legend in country music.

Diane's performance concludes with the final song, "Just A Closer Walk with Thee,"

As she sings her "Tribute to the Legendary Miss Patsy Cline."

*Hope everyone is enjoying the nice weather! This is a good time of year to reflect on your Lifestyle. Since we are most active this time of year, consider whether you are as **INDEPENDENT** as you wish you could be. Twining Valley offers a truly healthy place to be responsible for ourselves. Choosing Twining means you are in charge of your life. You are the manager of your own needs and freedom is your mantra.*

*The difference between Independent Living and Assisted Living is the Level of care offered. When you're trying to choose between Independent or Assisted living, take a moment to assess your lifestyle and what you need from a Senior Housing Community. Our facility was built using floor-plans with three stories. Residents must have mobility and be able to maneuver stairways daily. This is especially critical when the fire or storm alarms sound as our elevator would not be in service during inclement weather. Please reflect on your Lifestyle and your needs. If you have any concerns or questions? Please call Randy or Linda for a Confidential appointment. Have a great Summer!*

### WISCONSIN POEM

It's winter in Wisconsin  
And the gentle breezes blow  
Seventy miles an hour  
At twenty-five below.  
Oh, How I Love Wisconsin  
When the snows up to your butt  
You take a breath of Winter  
And your nose gets frozen shut.  
Yes, the weather here is wonderful  
So I guess I'll hang around  
I could never leave Wisconsin!  
"Cause I'm frozen to the ground

♥ *Happy Valentines Day* ♥

**The Origins of Valentines Day~**

The origins of Valentine's Day are not clear but many sources believe that it stems from the story of St Valentine, a Roman priest who was martyred on or around February 14 in the year 270 CE. How he became the patron saint of lovers remains a mystery but one theory is that the church used the day of St Valentine's martyrdom to Christianize the old Roman Lupercalia, a pagan festival held around the middle of February.

The ancient ceremony included putting girls' names in a box and letting the boys draw them out. Couples would then be paired off until the following year. The Christian church substituted saints' names for girls' names in hope that the participant would model his life after the saint whose name he drew. However, it was once again girls' names that ended up in the box by the 16th century.

Eventually the custom of sending anonymous cards or messages to those whom one admired became the accepted way of celebrating Valentine's Day. There was an increase in interest in Valentine's Day, first in the United States and then in Canada, in the mid-19th century. Early versions of Valentine cards fashioned of satin and lace and ornamented with flowers, ribbons, and images of cupids or birds appeared in England in the 1880s.

Hearts, the colors red and pink, roses, images and statues of cupids, and cupids' bows and arrows symbolize the feeling of romance and love on Valentine's Day. Cupid is usually portrayed as a small winged figure with a bow and arrow. In mythology, he uses his arrow to strike the hearts of people. People who fall in love are sometimes said to be "struck by Cupid's arrow". The day focuses on love, romance, appreciation and friendship.
