**TAX CUTS AND JOBS ACT DEVELOPMENTS**

The Tax Cuts and Jobs Act of 2017 (Tax Cuts Act) represents the most massive change in the Federal tax law since the 1986 Act. The Tax Cuts Act affects almost every area of Federal taxation. Individuals and businesses are starving for information explaining provisions of the Tax Cuts Act, such as the new *20% deduction for qualifying business income; the expanded depreciation deductions; the new limitations on the deductions for business interest expense, business meals, business entertainment expenses and transportation costs; the ability for small businesses to use simplified methods of accounting including the cash method.* Don Farmer will keep you up to date with IRS releases and other developments concerning this new law.

**FEDERAL TAX NEWSLETTER**

Don has been presenting tax seminars across the U.S. for over 40 years. In 1995, at the request of fellow CPAs, he began a limited circulation Tax Newsletter to keep CPAs informed on late-breaking tax developments. Don Farmer's Federal Tax Newsletter was so well received, he now offers the Federal Tax Newsletter across the U.S.

CPAs are often "too busy" to keep up with all tax developments. However, it can be devastating to miss a "major development." Also, you need to know about some tax developments "immediately." Next week or next month is too late. For these reasons, Don began his Federal Tax Newsletter in 1995. If there is a critical Federal tax development, Don sends out a newsletter. The goal of the newsletter is to make you aware of things you just shouldn't overlook! The newsletter is straight forward and "to the point" which makes it a "quick read." Don's newsletter is especially beneficial for tracking developments relating to new tax legislation, such as the Tax Cuts and Jobs Act of 2017.

The cost for the Federal Tax Newsletter is \$125 per year. If you wish to subscribe, please complete the subscription form below and mail along with your \$125 check to: Don Farmer CPA, P.A.; P O Box 1858; Lenoir, N.C. 28645.

Thank you

Don Farmer, CPA, P.A.
