

## When Tomorrow Starts Without Me

~David M Romano

*When tomorrow starts without me  
And I'm not here to see...  
If the sun should rise and find your eyes  
All filled with tears for me.*

*I wish you wouldn't cry  
The Way you did today...  
While thinking of the many things  
We did not get to say.*

*I know how much you love me  
As much as I love you...  
Each time that you think of me  
I know you will miss me too.*

*When tomorrow starts without me  
Please try to understand...  
That an angel came and called my name  
And took me by the hand.*

*The angel said my place was ready  
In heaven far above...  
And That I would have to leave behind  
All those I Dearly Love.*

*But When I walked through Heaven's Gates  
I felt so much at home...  
When GOD looked down and smiled at me  
From his golden throne.*

*He said This Is Eternity  
And All I promised you...  
Today for life on earth is done  
But Here it starts a new.*

*I promise no tomorrow  
For today will always last...  
And Since each day's the exact same way  
There is no longing for the past.*

*So when tomorrow starts without me  
Do not think we're apart...  
For every time you think of me  
Remember I'm right here in your heart.*

*Honoring  
our  
Beloved*
