THIS MONTH AT A GLANCE

"BACK-TO" SUNDAY Sunday, September 8, 2019

We will be celebrating our "Back-to" Sunday on September 8. Our morning worship service will return to 10:30 AM, with Adult Sunday School classes at 9:15 AM.

After the worship service, there will be a congregational meeting with annual election.

A meeting of the Congregation of Richville United Church of Christ will take place on **Sunday, September 8** at the conclusion of morning worship. This meeting is, in part, for the following stated purposes:

- ▶ The annual election of Consistory members (*Constitution and By-laws of the Richville United Church of Christ - Article XIII - section 1*)

According to our Constitution & By-laws, a meeting shall be held in September each year for the purpose of election of officers.

This year we are also planning a picnic at the Wilderness Center at 5 PM that evening. Picnic food will be provided by the Spiritual Life Committee and there is flat, easy access to the picnic pavilion so all ages can enjoy this outing. The Wilderness Center has trails, a lake, and a neat play area for the kids.

If you need transportation to the Wilderness Center for our Back-to Picnic, please contact a member of Spiritual Life. They will provide transportation for those who need it!

Everyone mark your calendar for this exciting way to kick off our Fall season. Please sign up in the Welcome Center so we know how much food to prepare! We hope to see everyone there!

GOLDEN CHARMS IS BACK!

All Senior Citizens are invited to attend Golden Charms! We gather at Richville United Church of Christ on the 3rd Tuesday of every month. Our first Fall gathering will take place **Tuesday, September 17** at noon. Join us for fun, fellowship and a delicious meal. A program will be enjoyed following the meal. **BRING A FRIEND!**

“Continue to love each other with true brotherly love. Don’t forget to be kind to strangers, for some who have done this have entertained angels without realizing it! Don’t forget about those in jail. Suffer with them as though you were there yourself. Share the sorrow of those being mistreated, for you know what they are going through.”

-Hebrews 13:1-3 (Living Bible)

Praying everyone had a fun and rejuvenating summer; and that the return to school is going well for all of our younger families and educators!

With Fall upon us, it is time to energetically reengage our shared-life as The People of GOD in Christ-Jesus. Of, course, we make a push to do this every year at this time (rallying together for “Back-To” Sunday and reigniting standard “program year” activities such as Adult Discussion Groups).

But for 2019/2020, this renewal of commitment to regular church activity takes on special significance (and power, we pray). This year, throughout Autumn, we will be focusing on our recently adopted Mission and Vision Statements. In worship, committee meetings, Bible Study, and elsewhere, we will be exploring what these statements mean, what their biblical justification is, and how we might utilize them, operationally, to both assess our ministry and chart a course for the future of RUCC.

***“Those who fail to plan,
plan to fail.”***

Collectively meditating upon these new statements and seeking to shape our ministry according to them, is one way we can actively pursue our **Purpose** as a congregation (and as the individuals which make-up this local faith-family). And doing so is vitally important for the day, age, and cultural climate we live in. Churches who have no reason for being -no common and driving point and/or goal(s) for their existence are statistically far more likely to close. Research indicates that those religious communities which are vibrant, stable, and/or growing have a commitment to a clear, central (and Scripturally-informed) understanding of why they exist.

(OVER/NEXT PAGE—>)

MISSION

Safe Space.

Care for The Whole Person .

Share story of Jesus and invite all into it.

VISION

Reflect Christ in all we do.

Preserve History and Traditions .

Care for The Community.

To illustrate these points, I want to share the following excerpts from an article by Thom Rainer (president & CEO of Lifeway Christian Resources, and a noted church vitality/redevelopment-&-revitalization expert)...

"Churches in the United States have entered a new season of ministry. Gone are the days when church attendance was a societal norm. For most of our American history, cultural and technological change was gradual, sufficiently paced for churches to lag only five to 10 years. Now churches are lagging 20 and 30 years as the speed of change increases dramatically. To many people, the church seems irrelevant (...) Between 6,000 and 10,000 churches in the U.S. are dying each year. That means around 100-200 churches will close this week. The pace will accelerate unless our congregations make some dramatic changes (...) So, what can churches do to bring about much-needed revitalization? We must remember our purpose. Many of the people in our churches have lost the biblical understanding of what it means to be part of the body of Christ. Church members need to be reminded that God placed us in churches to pray for and love one another, to proclaim and teach God's Word, and to take the gospel to our neighbors and the nations. We must become houses of prayer. Stated simply, we are doing too much in our own power. Our churches are often busy, but we are not doing the business of God. Revitalized churches have a desperate and prayerful dependence on God. We must cease seeing the church as a place of comfort and stability in the midst of rapid change. Certainly, God's truth is unchanging. We do find comfort and stability in that reality. But your church may need to change methods and approaches to better meet the needs of those you are trying to reach. Church programs and human traditions often become places of misdirected comfort. "We've never done it that way before" is a death declaration. We must learn to be uncomfortable in the world if we are to make a difference. We must emphasize evangelism and discipleship. We have been given the Great Commission to make disciples and build God's kingdom. To fulfill God's mission, Christians must go out into the community, love their neighbors, and reach the lost with the Gospel..."

Now, I'm fairly confident that none of the above sounds surprising to anyone who has heard me rant and rave over the years, but, hopefully, reading it from a nationally-renowned leader in the field adds some import and respectability to what I've conveyed previously. And, I pray, that this newsletter entry serves as a bit of encouragement for the year(s) ahead: that in reflecting on these things, we might all come to accept some of the challenging realities all churches are facing, while also having passionate confidence in the roadmap The LORD has been outlining for us.

When we remember WHO and WHOSE we are, and when we recall what we are called to do and be, then we can have hope and peace about tomorrow.

Looking forward to a new year and renewed energy and investment around our Values, Mission, and Vision!

All Peace, Love & Blessings;
Your brother & servant in Christ-Jesus,

-W-

A MESSAGE FROM OUR DIRECTOR OF YOUTH AND FAMILY MINISTRIES

Well Hello~~~welcome to my portion of the newsletter this month!

September means the start of Fall fun! With much discussion and brainstorming on how we could welcome the beautiful colors and enjoy a Fall harvest area together, CE and I decided on Maize Valley in Hartville, OH. A perfect destination for fun Fall family outings! Our plans are to meet there on Sunday, September 29 from 3 - 7 PM. If we gather 20 plus in attendance, we get a \$1.00 discount. Since admission is charged on all guests, our final cost will be \$11.00 per person. This all includes an 8-acre corn maze and wagon rides to the pumpkin patch, etc., and many other neat attractions in their Fall harvest areas!

But Wait...There's More!

We have a campfire reserved during this time as well. I chose one toward the wooded area at the back of their property. This area will be a landing pad for all of us as we navigate in and out of the various Fall offerings and attractions. However, we will all gather at an appointed time and enjoy a time of food, fellowship, fire, some choruses, as well as a time of spiritual formation that unites us! This event will be considered our BIG event for the month of September.

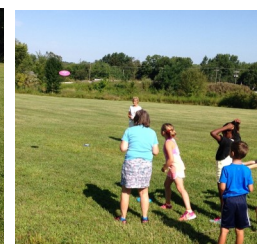

I'm also thrilled to report that CE has developed and proposed a 2019-2020 Action Planner calendar of events. This has been implemented by our proactive CE Chair and was presented to the committee. This concept has been on our agenda, and once was old business and a long-term strategy/goal, but now appears to be an exciting movement. Stay tuned for more details!

Everything we do is committed to careful thought and prayer. We investigate various formats and trends in today's culture asking God to lead & direct our path for youth & families in our church and our community. One example is providing Family Formation Support Group's to meet those challenges that our youth & families face today. That has been a heavy weight & challenge on my heart for our people today. My prayer has been that an opportunity will arise to capture the needs of parents as "God's Champions" over their household. Perhaps God's timing and our patience?

**In Christ's Continued Love and Service,
Gary Bickel (Director of Youth & Family Ministries)**

Our youth had a great time demonstrating their athletic talents at our Annual Children's Church Olympics Day (Sunday, August 11)!

CONSISTORY JULY 1, 2019, MEETING

MEMBERS PRESENT: Bonnie Willis, Larry Bates, Tom Trotter, Gary Bickel, Steve Gerber, Karen Gerber, Debbie Ciesielczyk, Liz Whitaker and Nancy Jedel

ABSENT: Alisha Dennis, Bonnie Schafer, Debby Tyron, Jackie Schlemmer, Pastor Will Stuart.

DEVOTIONS: Tom Trotter

FINANCIAL: Debbie Ciesielczyk reported that finances for the Church had a shortfall in the budget of \$10,000. A discussion was held regarding this shortfall, and it was decided to wait until the next month and look at the budget again.

Because of the shortfall it was mentioned that we may look at some fundraising. Another suggestion was to possibly look at endowments. The UCC Headquarters has some good materials on how to go about making suggestions to the congregation regarding endowment funds.

Another idea was to look at our Church Parking lot as a designated area for campers and trailers of relatives, friends, etc. who may be staying in the area with family or relatives to be able to use the lot for parking the vehicles. A fee would be charged to park in the lot. The problem that we would encounter now is that there is no electricity in the garage for the hook ups. This idea will be further investigated and discussed.

MAINTENANCE: Larry Bates. There are several concerns for the Maintenance Committee to consider:

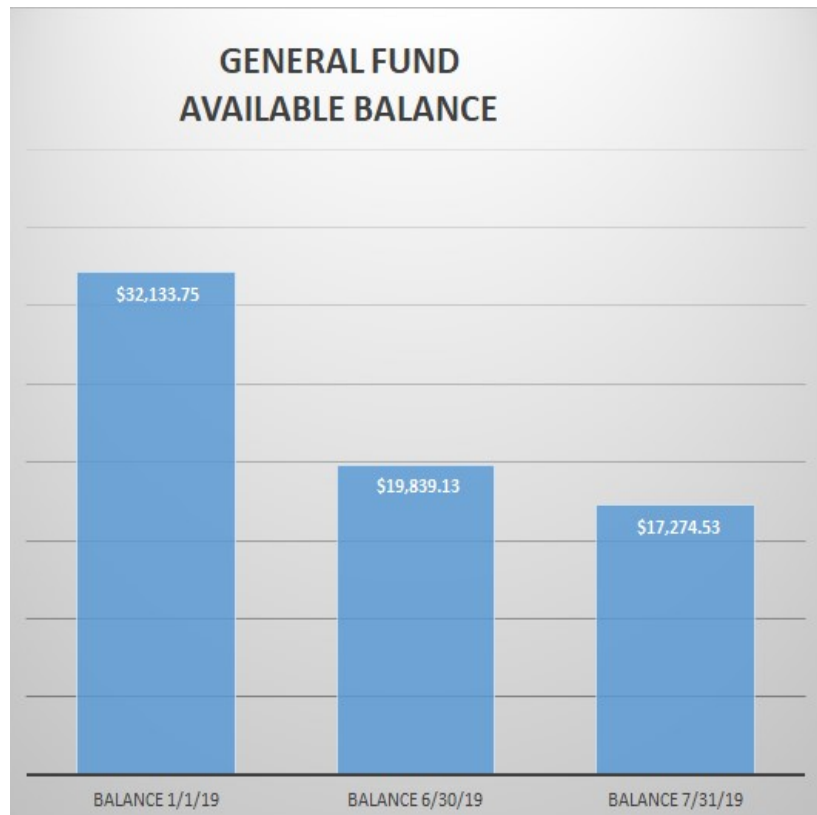

1. It has been discussed about the unsanitary conditions of water fountains. Approval was given to the Maintenance Committee to take out the water fountain in the Church.
2. The water at the Church needs to be tested to make sure it is free of any harmful materials. The Maintenance Committee was asked to contact the Stark County Health Dept. to set up an appointment to have the water tested.
3. The subject of electricity in the garage was discussed. The Maintenance Committee was asked to list what needs to be done, and report back to Consistory next month as to what the needs are.

MULTIMEDIA: Karen Gerber. Karen reported on the status of the microphones. She said she should know what is needed by next week. She will have a report for Consistory at our next meeting.

CHRISTIAN EDUCATION: Liz Whitaker. Brief mention regarding the curriculum. Further discussion will be held.

Respectfully submitted by Nancy Jedel, in the absence of Alisha Dennis, Secretary

FINANCE AND STEWARDSHIP UPDATE

As you can see from the graph, our available balance in our general fund account continues to decrease. As of the end of July we are down to a balance in the general fund of \$17,274.53. The Finance and Stewardship Committee thanks everyone for their faithful and generous donations, but as you can see we are not keeping up with our expenses. We are continually trying to find ways to generate additional funds with fundraising ideas, but this is only a temporary fix to the problem. Do you have a good idea for a fundraiser? Are you promoting our church space to friends and neighbors for rentals? Do you know anyone who is looking for outside space to hold a swap meet or an outdoor event? We have the perfect place. The committee is also taking a serious look at our budgeted expenses. We need to have a budget that we can maintain in the future and yet still serve our Core Values, Mission and Vision Statements.

In order to keep the congregation informed, actual monthly giving totals will be printed in the Messenger the first Sunday of the month for general fund and capital improvement funds. Actual totals will be compared with monthly amounts needed to meet the budget. Keep in mind these totals will be for the previous month (example: September's Messenger will show the actual giving for August).
