Dear Praying Friends,

We would like to wish each of you a very happy & blessed New Year from Corby, England! We are excited and looking forward to what the Lord has for us as we reach out to the 60 million souls here in the United Kingdom.

We have been blessed this past year to be able to get the Gospel out to the souls here in Corby. There have been ups and down and it's been hard on the church as we've lost a few families, but we must remain faithful and true to the Word of God. It would be so much easier to compromise but we must stand on the truths of the Scriptures.

In our last prayer letter we were asking prayer for our special Christmas Services. Thank you to all who prayed, your prayers were heard and answered. We were able to give out invites for these special services to over 2000 homes near the church. We also put an ad in a local magazine that went to over 10,000 homes. It was a blessing to have 17 visitors come out for our special services. We thank the Lord for open doors that He provide in order to share the Gospel during this time of the year.

Please be in prayer for our upcoming Mission Revival. We are

looking forward to having Dr. Jim Green, Parker Memorial Baptist Church in Lansing, MI this year. We're praying our people will get more of a burden for souls here in England but also around the world.

We have a desire to see more churches started around this part of England. We have a desire to see something done in the town of Wellingborough, England. It's about 15 miles south of us. There is no gospel preaching church in this town of 60,000 people. This year we would like to start giving a Gospel invitation to everyone home in this town. For those who show interest, we would like to start Bible Study. We would love to have a missionary family come and take this church. The need is great and souls need to be saved!

Continue to pray for us regarding the church here at Lifegate. I was hoping by now to be able to turn the church over to a national pastor. We're unable to do that at this present time. We need the prayers of God's people that this will happen in God's timing.

Thank you for your sacrificial gift enabling us to be here in this very needy country. We are eternally indebted to you for your sacrifice and partnership with us on the mission field.

In Christ, Bro. Roger Tooley

To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me. Acts 26:18
