

Dear Resident

**CONSTRUCTION NOTICE**  
**BLACKS HARBOUR STREET UPGRADE 2021**

---

This letter is to notify local residents that the Village of Blacks Harbour, through our Engineering Consultant, CBCL Limited and the successful contractor, Galbraith Construction Ltd. is planning to begin the above-noted project. The project involves street upgrades at Various locations in the Village including Wellington Road (just past Green Valley Road), Brunswick Street (Civic 101 to 145), Main Street (in front of school and from Civic 412 to 406) and at the intersection of Main Street and Brunswick Street. Work will include asphalt paving, concrete curb and sidewalk and any associated restoration.

The work is expected to take place immediately and take until the end of June 2021 to complete.

The Village of Blacks Harbour apologizes for any inconvenience this work may cause. If you have any inquiries or concerns regarding the above-mentioned project, please feel free to contact the Village at 456-4870 or speak to the Engineer's representative on site.

Sincerely,

Stacey Frost, Acting CAO
