JUNE 2018 NEWSLETTER

FULL-TIME JOB VACANCY

Industrial Electrician and Instrument Technician:

Job Duties: Installs electrical circuits, relays, switch gear, wiring, electronic alarms, and telemetering equipment used in the operation and monitoring of high voltage distribution systems, emergency power generators, water pumps and telemetry systems. Troubleshoots, programs, and repairs automated control device; repairs, adjusts, and replaces electrical relays, pumps, motors, and pressure control valves.

Minimum qualifications: High school graduate, clean DMV record and previous experience with Community College, technical or other course work relevant for this position. Passing a pre-employment physical and drug screen required.

Desired qualifications: 3 to-5 years of journey-level experience in electrical and electronic construction, repair and maintenance, preferably with some direct experience at a water/wastewater treatment plant, hydro-electric plant, or similar facilities.

Salary & benefits: Compensation range \$24.55 to \$45.87 BOE. Benefits package includes health, dental, vision insurance and Cal PERS retirement. Application and job description are available from the RID office and website. Vacancy open until filled.

Annual Water Quality Report:

We regularly test our drinking water quality for many constituents as required by State and Federal regulations and the enclosed report shows the results of our monitoring for the period of: **January 1 – December 31, 2017.**

Appropriations Limit Calculation:

Annually, the District determines the maximum limit of how much money the District can receive via Humboldt County from property taxes collected. The appropriations limit calculations for fiscal year 2018/2019 are available for public review at the District office and will be placed on the June 21st Board Meeting Agenda for board approval.

Holiday Announcement:

The District offices will close on Wednesday, July 4th in observance of Independence Day.

AIRPORT PEDESTRIANS

Residents and/or visitors who walk on or near the airport are reminded that the runway is off limits to pedestrians. Walking on the taxiway is acceptable, but please refrain from walking on the active runway.

FIRE DEPARTMENT NEWS

Closure of Burn Season is Imminent:

The winter rains are finally dissipating and as we move into a summer weather pattern, the grass, brush and other “light fuels” will dry very rapidly. We ask the community to increase its awareness regarding open burning. When burning please follow the instructions carefully on the back of your AQMD permit. Although it may be an AQMD “burn-day”, please check local conditions prior to ignition as the wind and/or dry conditions may make it very unsafe to burn.

Cal FIRE burn permits are now required for all burn piles greater than 4ft in diameter. To obtain a Cal FIRE permit, contact the Garberville office on Alderpoint Road for an application. Phone 923-2645.

As a reminder, grass should be cut annually to a maximum height of 4”. Please visit www.readyforwildfire.org for more information regarding preparing for a wildfire.

Fire Department 4th July BBQ and Firewise Event:

The Fire Department will be holding their traditional July 4th BBQ at Marina Motel parking lot at 11 a.m. until the food is gone. There will also be a Firewise community information booth for homeowners with educational material regarding fire hazard abatement.

Firework Safety:

Please be extra safe with fireworks this year as our area has experienced tremendous vegetation growth due to a wet spring. As an alternative to staying in Shelter Cove to celebrate, there is a large organized annual firework display on July 4th at the Benbow Lake State Park, just south of Garberville. The show starts at 9:30 p.m. but arrive early as parking is on a first come first served basis.

Annual Fire Extinguisher Recharge:

The public may bring their fire extinguishers to the Fire House on the morning of Thursday, June 14th, 2018, for recharging by Eureka-Humboldt Fire Extinguisher. The cost of this service will depend on the size of the unit. Units can be paid for when picked up.

RESORT IMPROVEMENT DISTRICT #1 - 9126 Shelter Cove Road, Whitethorn, CA 95589

JUNE 2018 NEWSLETTER

To the Residents of Shelter Cove,

My name is Justin Robbins and it is an honor and a privilege to introduce myself as your new General Manager of our Resort Improvement District No. 1 (RID).

I would like to take this time to thank all of the dedicated and hardworking employees & volunteers of RID and the Shelter Cove Fire & Rescue Department for their service and for all of their accomplishments during the past year.

I also want to thank our Board President, Susie Fox, for her service as acting RID General Manager for the past five months. Thank you Susie!

As your General Manager, I am committed to serve every resident, every family and every business in Shelter Cove. I am committed to the principles of trust, inclusion, open communication and community service.

Please know that I value your perspectives and viewpoints. And that I will make myself available to listen to your thoughts, concerns and questions. Please stop by the RID office to see if I am available or call or email to setup a date/time to talk. You can reach me at 986-7015 or gm@sheltercove-ca.org

Your GM,

Justin
