## MISSIONARIES TO HONDURAS

December 2019

### Sending Laborers

One of the great goals of planting churches is that of training laborers for the harvest fields. For the first time in our ministry we were able to see one of our Honduran men called to the foreign field. Isaac Amaya was saved, baptized and trained in the work in Danli. Several years ago, God placed the call of missions in his heart. Just a few short weeks ago, this young man became one of very few Hondurans to leave the country as a foreign missionary. Today Bro.

Amaya is faithfully serving the Lord in Equatorial Guinea, Africa! He will spend the next two months on an extended survey trip. In his first few weeks on the field he has seen people come to know Christ as Savior and was able to baptize his first African brother in the ocean waters of the Atlantic ocean! Please pray for Bro. Amaya as he continues to serve the Lord in Africa.

### Semester Ends

We are in preparations for our second full year of college classes in Danli. We have had several contact us about joining the student body. Many of the students are coming by faith to study. It costs our students from \$50 to \$100 per month on average to attend the college. Those cost cover their food and necessities. We have been blessed to be able to offer free tuition to any who make the sacrifice to study full time. If you would like to help sponsor a student to study full time please contact us!

### Prayer Requests and Praises:

1. Pray for the 10 saved during the past few months.
2. Pray for the 8 baptized here in Honduras as well as the 4 saved and baptized in Africa!
3. Pray for an increase in the students attending the Bible Institute.
4. Pray for the works in Danli, Los Robles, El Paraiso, Ojojona, El Ocomupe, and La Esperanza
5. Pray for the United States phase in the adoption of the twins.

Thank you for your prayers,

Jason, Cassy, Audrey, Jordan, Joey, Matthew, Alejandro and Marjorie
